## NOTICE

---

THE PROPRIETORS OF THE EDINBURGH AND LEITH POST-OFFICE DIRECTORY, in issuing the Fifty-seventh yearly Volume of the Publication, avail themselves of the renewed opportunity to express their grateful thanks for the kind support and patronage which they have received, and to say that they have continued their anxious endeavours to make it as accurate as possible in all its departments.

It may be necessary to notice, that the Map has been again revised, and that the Scale shewing the Number of Seconds the Report of the Time-gun takes to travel to any part of Edinburgh or Leith, is now so explained, it is hoped, as will make it a practical auxiliary in ascertaining the precise moment of 1 o'clock P.M.

EXPLANATION.—In the Left-hand Table are the years of the Century, and above each is the Dominical Letter corresponding with that Year. Then, opposite to the Month, at the foot of the Right-hand Table, will be found a corresponding Letter, over which are placed the Days of the Month and Week for that Month (distinguishing the Sundays by a different type). Each Blank Space in the Left-hand Table shows the year following to be Leap Year; and as every Leap Year has two Dominical Letters, the Letter above the Blank Space must be used for January and February in every Leap Year, and for the other months, use the Letters belonging to the respective Years.

By transposing the Dominical Letters, this Calendar would answer for any Century.

## STAMP AND LEGACY DUTIES, ETC.

*Note.*—The Writs and Instruments, forms of which are provided by the Titles to Land (Scotland) Acts 1858 and 1860, (21 & 22 Vict. c. 76, and 23 & 24 Vict. c. 143,) will be liable to Stamp Duties, if they come under the general description of Deeds, or come within any of the particular items of charge, to Duty in the Stamp Duties Schedules, whether written on other Deeds, or separate. See under *Assignment, Deed of Relinquishment, Sasine, and Notarial Act.*

**ADHESIVE STAMPS**—See **STAMPING OF DEEDS** after being executed.—In cancelling adhesive stamps, instead of writing the name of the party or his firm in full, it shall be sufficient if the initials shall be written, stamped, or impressed in ink on the stamp, together with any other particulars required by law, provided the stamp shall be effectually cancelled, so as not to admit of being again used. (24 & 25 Vict. c. 91, § 33.)

**ADMISSION** as a burgess, or into any Corporation or Company in any Burgh in Scotland, in lieu of the duties of £1 and £3 formerly payable, 5s.

**AGREEMENT, MINUTE or MEMORANDUM**, (on and after 3d April 1860,) containing the terms and conditions on which Lands, &c., are let, held, or occupied for any such term. *The same duty as on a Lease or Tack.*

Provided that any Lease or Tack afterwards made, in pursuance of and conformably to the above, shall be charged with the Lease duty, but not higher than 2s. 6d., exclusive of Progressive duty, notwithstanding the terms and conditions may be varied, not affecting the Stamp duty. The Lease may be impressed with a stamp denoting the payment of the proper duty on the Agreement, Minute, or Memorandum.

**AGREEMENT** containing the terms and conditions on which a furnished dwelling-house is let for a period less than a year, where the rent for such period shall exceed £25, duty, 2s. 6d.

*N.B.*—The stamp may be adhesive, to be cancelled by the parties to the instrument (if exceeding two, one on each side only) by writing upon or across the stamp his name, and before or at the time of the first party signing the instrument, the date of the instrument must be written on the stamp. In default, stamp of no avail. Proof of writing upon or across the stamp a necessary part of the evidence of signing or making the instrument. Every person who signs incurs a penalty of £5, if instrument has not on it an impressed stamp or adhesive stamp cancelled, or who does not sign across adhesive stamp, and also the agent who may have prepared the instrument. (24 and 25 Vict. c. 21, § 14 and 15.)

**AGREEMENT**, or minute or memorandum of agreement, without a clause of registration and not charged otherwise, nor expressly exempted from all Stamp duty, where the matter is of the value of £5 or upwards, whether the same shall be only evidence of a contract, or obligatory upon the parties from its being a written instrument, together with every schedule, receipt, &c., endorsed or annexed, 6d.

**Memorandum or agreement** for or relating to the sale of any goods, wares, or merchandise.

**Agreements entered into in the United Kingdom** for or relating to the service in the colonies of any person as an artificer, clerk, domestic servant, handicraftsman, mechanic, gardener, servant in husbandry, or labourer. (17 & 18 Vict. c. 83, § 21.)

Duty may be denoted by adhesive stamp, to be cancelled as in the case of a draft on demand. (23 & 24 Vict. c. 111, § 17.)

**Exemptions.**—Any draft or order drawn by any banker upon any other banker, ~~not~~ payable to bearer or to order, and used solely for the purpose of settling or clearing any account between such bankers.

Any letter written by a banker to any other banker, directing the payment of any sum of money, the same not being payable to bearer or to order, and such letter not being sent or delivered to the person to whom payment is to be made, or to any person on his behalf; and all warrants or orders for the payment of any annuity granted by the Commissioners for the Reduction of the National Debt, or for the payment of any dividend or interest on any share in the Government or Parliamentary stocks or funds; and all drafts or orders drawn by the Accountant-General of the Court of Chancery in England or Ireland, shall be exempt from all Stamp duty. (23 Vict., c. 15.)

**Note**—The Act 17 & 18 Vict. c. 83, § 9,—referring to the English Act 17 Geo. III. c. 30, and the Acts continuing the same which make bills, &c., above 20s. and under £5, if not drawn in a particular way, invalid, and those below 20s. absolutely invalid, and not to the Scotch Act to the like effect, 8 & 9 Vict. c. 38, § 16 and 17,—provided that the said Act and the continuing Acts should be repealed, in so far as regards drafts on bankers for money held for the use of the drawer. And the Act 23 & 24 Vict. c. 111, § 19, now provides generally, without special reference to either the English or Scotch Acts, that draft on a

banker who shall *bona fide* hold money to or for the use of the party, payable to bearer or order on demand, of any sum less than 20s. shall be lawful. Do both the above provisions apply to Scotland, or only the latter? The Act 8 & 9 Vict. c. 38, § 20, provides that that Act shall not prohibit draft on a person's own banker for the payment of money to the use of such person.

**N.B.**—The duty on drafts or orders may be impressed on the paper, or an adhesive stamp may be affixed. (16 and 17 Vict. c. 59, § 3.) The adhesive stamp may be either a receipt or draft stamp. (17 & 18 Vict. c. 83, § 10.) Where an adhesive stamp is used, the maker of the draft to cancel the stamp by writing on it his name or initials. Penalty for omission, &c., £10. (16 & 17 Vict. c. 59, §§ 4 and 5.) The payer of the draft or order shall, when he pays it, write the word "paid" on the stamp. Penalty for omission, £20. (23 Vict. c. 15, § 12.) Banker may affix stamp to an unstamped draft and cancel it, and pay the draft, charge the person who ought to have paid it with the stamp, or deduct it from the sum. Draft good, but not to relieve of penalty. (23 & 24 Vict. c. 111, § 18.) Penalty for removing adhesive stamps or using them a second time, or doing any act to defraud of duty, £20. (16 & 17 Vict. c. 59, §§ 4 and 5.)

... 4000 and upwards—every bill of the set, for every £1000, or part of £1000, 3s. 4d. (23 Vict. c. 15.)	

*Note.*—The duty on a Foreign Bill, on and after 3d April 1860, drawn or endorsed out of the United Kingdom for the payment of money on demand, is the same duty as on an Inland Bill of Exchange, for the payment of money otherwise than on demand. (23 Vict. c. 15.) See above.

The word "endorsed" is held by the Board of Inland Revenue to have no practicable effect. See *Times*, 20th and 22d April 1860.

*N.B.*—The duties on Foreign Bills, drawn out of the United Kingdom, are to be denoted by adhesive stamps. The holder to affix the adhesive stamp if one not on it before he negotiate it, and cancel the stamp by writing his name or the name of his firm, and the date on it. (17 & 18 Vict. c. 83, § 3.) If the Bill or Note be received by the holder with the adhesive stamp effectually obliterated and purporting, and appearing to be duly cancelled, the same, as regards such holder, shall be deemed to be so. If not cancelled, the holder may do so, as if he were the person first negotiating the Bill or Note. On his doing so, the Bill or Note shall be duly stamped. The person who ought to have cancelled the stamp not relieved of any penalty incurred by not cancelling the same. (24 & 25 Vict. c. 91, § 33.) The Act 23 Vict. c. 15, § 12, provides that the party paying the bill shall, when he does so, write the word "paid" upon the stamp. The amount of duty on adhesive stamps is impressed on two parts. The Board of Inland Revenue recommend that the cancellation should be on one of the parts, and the other left legible.

If a Foreign Bill payable abroad, and as to which the provision "drawn in sets of three or more" apply, shall be drawn in a single bill, the duty will be the same as on an Inland Bill; and if in a set of two, the duty on each will be the same as on an Inland Bill. This is in accordance with the opinion of the Board of Inland Revenue, (see *North British Daily Mail*, 3d November 1854.) But the Board have given an opinion that a Foreign Bill drawn abroad and payable in this country in duplicate or triplicate only represents one transaction, and is liable to the duty on one Inland Bill of the same account,—that is, if one of the parts have the full duty, the others may be unstamped, (see *Times*, 6th November 1854.) The schedule of the act does not provide for such a bill being drawn in sets. Bills bearing to be drawn out of the United Kingdom are to be deemed Foreign Bills so drawn, although they may in reality be drawn in the United Kingdom. (17 & 18 Vict. c. 83, § 4.) A person in the United Kingdom drawing and issuing a bill payable out of the United Kingdom in a set, must draw the whole set, and a person transferring or negotiating such bill must transfer and deliver, stamped, the whole number of the set. Penalty £100. A person taking such bill must get the whole set stamped, otherwise he cannot recover on it or make it available. (Ib. § 6.) This

applies only to bills drawn within and payable out of the United Kingdom.

**INLAND BILL, DRAFT, or ORDER**, for the payment of any sum of money, though not made payable to the bearer, or to order, if the same shall be delivered to the payee, or some person on his or her behalf, the same duty as on a bill of exchange for the like sum, payable to bearer or order.

**INLAND BILL, DRAFT, or ORDER** for the payment of any sum of money, weekly, monthly, or at any other stated periods, if made payable to the bearer, or to order, or if delivered to the payee, or some person on his or her behalf, where the total amount of the money thereby made payable shall be specified therein, or can be ascertained therefrom, or shall be indefinite, the same duty as on a bill payable to bearer or order on demand.

**PROMISSORY NOTE** for the payment of any sum of money by instalments, or for the payment of several sums of money at different days or times, so that the whole of the money to be paid shall be definite and certain, the same duty as on a promissory note, payable otherwise than to the bearer on demand, for a sum equal to the whole amount of the money to be paid.

MANDATE. See PROXY.

MARRIAGE CONTRACT. The leading head under which marriage contracts are chargeable is "Settlement." By the statutory note under this head, it is provided that instruments containing settlements of lands or other property, or *other matter or thing*, besides the settlement of money or stock, shall be chargeable with duty in respect of such, as if contained in a separate deed. A marriage contract may therefore be liable to a number of different duties. If definite and certain sums, and shares of stocks, are settled so as an interest to any extent shall be given, which shall certainly take effect, and not be altogether contingent, these are liable to the *ad valorem* Settlement Duty. If an annuity is provided to widow or others, such is liable to Bond of Annuity Stamp Duty. Obligations to pay sums to widow, such as for mournings, are liable to *ad valorem* Bond Duty. All settlements of property, or other matters not liable to specific duty, will be covered by one general deed duty, over and above the other duties. An obligation by the hus-

band to pay sums to the trustees for the children, if any, would be liable to the Bond Duty, not Settlement Duty, being contingent.

And where the same respectively shall be made as a security for the payment of a sum of money, and also for the transfer or retransfer of a share in any of the said stocks or funds, the said *ad valorem* duty shall be charged in respect of each.

And in case the same respectively shall be made as a security for the payment or transfer, to different persons, of separate and distinct sums or shares,—The *ad valorem* duty shall be charged for each separate and distinct sum or share therein specified and secured, and not upon the aggregate amount.

And where any such deed or instrument shall be made respectively as a security for the payment of *any annuity*, or any sum by way of repayment, or in satisfaction or discharge, or in redemption of any sum lent, advanced, or paid, as, or for, or in the nature of a loan intended to be repaid, discharged, or redeemed, in manner aforesaid,—The same duty as on a mortgage or wadset for the sum of money so lent, advanced, or paid.

TRANSFER, disposition, or assignation of any wadset, or other such security, &c.—

If any further sum be added to the principal, the deed is chargeable only (exclusive of progressive duty) with the *ad valorem* duty on wadsets, etc., in respect of such further sum.

RECONVEYANCE, surrender, discharge, or renunciation of any wadset, or other such security, or of the benefit thereof, or of the money or stock secured—

RECEIPTS for money amounting to £2 or upwards,—1d.

The following provisions as to what shall be deemed a receipt, and the exemptions from receipt duty by 55 Geo. III., c. 184, are still in force.

Any note, memorandum, or writing whatever, given upon the payment of money, whether signed or not, shall be a receipt if it shall import or signify that any sum

of money, debt, or demand, or any part thereof amounting to £2 or upwards, has been paid or settled; and like documents given upon payment by bills, drafts, promissory notes, or other securities for money, are also receipts.

According to decisions, a simple acknowledgment of a sum of money in loan, or of the correctness of a debt, or of a deposit of money, is not liable to stamp duty, either as a receipt or promissory note. The judges held it essential to render a receipt liable to duty that something formerly due had been discharged. On this principle a receipt for a sum of money as a donation to a religious or charitable purpose, not being anything formerly due, would not be liable. The Board of Inland Revenue have intimated that they are to regard such receipts as exempted.

*Among the exemptions from receipt duty are—Receipts written on promissory notes, bills, drafts, or orders for the payment of money, duly stamped.*

*Receipts written on any bond, mortgage, or other security, or any conveyance, deed, or instrument whatever, duly stamped, acknowledging the receipt of the consideration money therein expressed, or the receipt of any principal money, interest, or annuity thereby secured.*

## INVENTORY DUTY.

### I. PERSONAL ESTATE :—

#### *Exhibition of the Inventory, and mode of paying the Duty.*

All and every person or persons who, as executor or executors, or otherwise, shall enter upon the possession or management, in whole or in part, of any personal or moveable estate in Scotland of any deceased person, shall, within six months thereafter, exhibit upon oath in the Commissary Court an Inventory, duly stamped, of all the personal or moveable estate and effects of the deceased. The Inventory and testamentary writings left by the deceased, if any, shall be recorded in the Books of the said Court. (48 Geo. III. c. 149, § 38.)

Inventories and relative testamentary writings are to be given up and recorded in, and confirmations granted by, the Commissary Court of the county wherein the deceased died domiciled; and in the case of persons dying domiciled furth of Scotland, or without any fixed or known domicile, having personal property in Scotland, the Commissary Court of Edinburgh. (21 and 22 Vict. c. 56, §§ 3 and 8.)

Oaths and Affirmations to Inventories of personal estates, to be given up and recorded in any Commissary Court, may be taken either before the Commissary or his Depute, or the Commissary-Clerk or his Depute, or before any Commissioner appointed by the Commissary, or before any Magistrate or Justice of the

Peace within the United Kingdom or the Colonies, or any British Consul. (21 and 22 Vict. c. 56, § 11.)

If the deceased person died domiciled in Scotland, it shall be competent to include in the Inventory of the personal estate in *Scotland*, the personal estate in *England* and *Ireland*. The estate in *England* and *Ireland* shall be separately stated in the Inventory, and the Inventory shall be stamped with a duty corresponding to the entire value of the estate situated within the United Kingdom. If confirmation be required, the domicile must be proved, and the Commissary must find it to be in Scotland. A Confirmation, in which shall be included personal estate in *England* and *Ireland*, on being produced in the Principal Probate Court in *England*, and the Court of Probate in *Dublin*, and a copy thereof deposited with the Registrar, together with a copy of the Interlocutor of the Commissary finding that the deceased died domiciled in Scotland, is to be returned sealed, and is thereafter to have the same force and effect in *England* and *Ireland*, as if Probate or Letters of Administration had been granted by these Courts. (21 and 22 Vict. c. 56, §§ 9, 12, and 13.)

The provisions of the Act are merely permissive to pay Inventory Duty on the whole personal estate in Great Britain and *Ireland* where the deceased died domiciled in Scotland, and the like pro-

visions as to the payment of Probate and Administration Duty where the deceased died domiciled in England and Ireland. It is therefore still competent to pay Inventory Duty on the estate situated in Scotland, and Probate or Administration Duty in respect of the estate in England and Ireland. In the case of a person dying domiciled furth of the United Kingdom having personal estate situated in Scotland, this mode of paying the duty must be followed, as in that case there is no provision for payment of Stamp Duty, in respect of the personal estate in England or Ireland, on the Inventory, or obtaining confirmation in respect thereof.

#### *Additional Inventory—Corrective Inventory.*

If there be any omission in the Inventory inferring payment of further duty, an additional Inventory of such is required to be exhibited by 48 Geo. III. c. 149, § 38; and § 40 provides that the same shall also specify the amount or value of the estate and effects of the same person comprised in the former Inventory. By 16 and 17 Vict. c. 59, § 8, such additional Inventory shall be *chargeable only with such amount of Stamp Duty as, together with the Stamp Duty charged upon the former duly stamped Inventory of the estate and effects of the same deceased person, shall make up the full amount of Stamp Duty, in respect of the total amount of all the estate and effects of the deceased specified in the said additional and any such former Inventory.* If the estate shall be over-estimated, or if something shall be improperly included in the Inventory, an Inventory on a stamp corresponding to the ascertained value must be exhibited, and the original inventory will be allowed on affidavit as a spoiled stamp, within six months after the recording of the second Inventory.

*Personal Property disposed of by Will under an absolute power liable to Inventory Duty—Indian Government Promissory Notes, &c., Personal Property in England—Property to be valued at the time the Inventory is sworn to, and the Inventory to include the proceeds accrued on the property down to that time.*

Personal estate which a person, dying after 3d April 1860, shall have disposed of by will, under any authority enabling such person to dispose of the same as he shall think fit, shall be deemed personal or moveable estate of the person so dying, for the purpose of payment of Inven-

tory, Probate, or Administration Duty—23 Vict. c. 15, § 4. The duties shall be charged on the property in respect of which the same are payable, and shall be paid thereon by the trustees or owners thereof, to the executors, for the benefit of the persons entitled to the personal estate of the deceased—ib. § 5. Indian Government Promissory Notes and Certificates issued or Stock created in lieu thereof, being assets of a deceased person, the interest of which shall be payable in London, registered in London, or enfaced in India for the purpose of such registration, before the death of the owners; also Indian Government Promissory Notes with coupons attached, in the same circumstances as to registration, and Certificates issued, or Stock created in lieu thereof, shall be personal estate and *bona notabilia* in England of the deceased, 23 Vict. c. 5, § 1, and liable to Inventory, Probate, or Administration Duty. "The Inventory and additional Inventory of any person deceased, required to be exhibited and recorded in the proper Commissary Court in Scotland, shall be stamped with duty according to the value of the property contained therein at the time they shall be respectively sworn to, including the proceeds accrued thereon down to that time; and the duty, or deficient duty, according to such value and proceeds, and interest thereon at the rate of five per centum per annum, shall be a debt to Her Majesty by the person making oath to said Inventory and additional Inventory, and his heirs and successors; and if such Inventory and additional Inventory shall not be exhibited and recorded, the Inventory Duty on all the personal or moveable estate and effects of the deceased, and interest thereon at the rate of five per centum per annum from the expiry of the period of six months after the death of such deceased person, shall be payable and shall be a debt to Her Majesty by the person who shall intronit with or enter upon the possession and management of such personal or moveable estate and effects, or any part thereof, and his heirs and successors."—23 and 24 Vict. c. 80, § 5.

#### II. MONEY SECURED ON HERITAGE, &c.

The Act 23 Vict. c. 15, § 6, (3d April 1860), declared that money secured on heritable property in Scotland, and money secured by Scotch bonds in favour of heirs and assignees, excluding executors, should be chargeable with Inventory, Probate, or Administration Duty.

The Act 23 and 24 Vict. c. 80, was passed to regulate the levying and collection of the said duty. Section 1 gives a description of the property which shall be liable to Inventory Duty under the Act of 23 Vict. c. 15, and section 8 further explains what shall be subject to duty. Section 9 of the Act 23 and 24 Vict. c. 80, repeals the Act 23 Vict. c. 15, § 6, in so far as regards Probate and Administration Duty being chargeable in respect of the property, so that *now in all circumstances such property is liable to Inventory Duty.* Section 1 is in these terms:—

*Description of property liable to Duty, and commencement of Duty.*

“All money secured on heritable property in *Scotland*, and all money secured by *Scottish* bonds and other instruments, excluding executors, and all money secured by *Scottish* bonds and other instruments, the rights to which shall be taken excluding executors, constituting the succession, or part of the succession, of any person who shall have died on or after the 3d day of *April* in the year 1860, shall be liable to Inventory Duty under the said recited Act.”

There are two modes of paying the duty provided for—23 and 24 Vict. c. 80, §§ 3 and 4:—

*Two modes of paying the Duty.*

1. By a “Special Inventory” of the property, to be lodged with the Solicitor of Inland Revenue at Edinburgh, (a form of which, with relative oath, is given in the schedule to the Act,) stamped according to the amount of property contained in it. The Inventory Stamp shall be testate or intestate according as the Stamp on the Inventory of the personal estate shall denote the testate or intestate rate of duty.

2. By adding the amount of the property to the Inventory of the personal estate, and paying Stamp Duty upon the aggregate amount.

This second mode will generally be the most advantageous for the tax payer; and will be followed when the interest in the heritable and moveable estate is the same, or when the heir and executor can make an arrangement as to the payment of the duty. As to both modes of paying the duty, it is declared that the duty is ultimately to be borne by the parties proportionally according to their interests in the property.

*Value to be at the date of the oath to the*

*Inventory, and Inventory to include proceeds to that time.*

The 5th section of 23 and 24 Vict. c. 80, provides, that the Inventory Duty shall be payable on the property made liable by the Acts referred to, according to the value of such property at the time the Inventory containing it shall be sworn to, including the proceeds accrued thereon down to that time.

*Act retrospective as to time of valuing Personal Estate.*

It will be observed that the Inventory Duty on money secured on heritage, &c., is limited to such property constituting the succession of a person who shall have died on or after the 3d April 1860—23 and 24 Vict. c. 80, § 1; but the provision for valuing property at the date of the affidavit to the Inventory, and including the proceeds down to that time, is retrospective and universal in its operation, applying to all Inventories sworn to on or after the passing of the Act (6th August 1860) without regard to the date of death.

### III. GENERAL OBSERVATIONS.

*Modes in which Duty may be paid when deceased domiciled in Scotland, and personal property in Scotland, England, and Ireland, and money secured on Heritage.*

In the case of a person dying domiciled in Scotland, having personal property in Scotland, England, and Ireland, and also money secured on heritage, &c.:—I. Duty in respect of the whole may be paid on the Inventory required to be recorded in the Commissary Court; II. Or Inventory Duty may be paid on the personal property situated in Scotland, and Duty may be paid on a “Special Inventory” of the money secured on the heritage, &c., and Probate or Administration may be obtained in England and Ireland in respect of the personal estate in these countries, and duty paid in respect of such on these several instruments.

*Mode in which Duty may be paid when deceased domiciled furth of the United Kingdom.*

In the case of a person dying domiciled furth of the United Kingdom leaving personal estate in Scotland, England, and Ireland, an Inventory must be given up in Scotland, Probate or Administration taken out in England and Ireland, and duty paid on such in respect of the property in each country.

## OPINION.

We are of opinion that it is sufficient in the Inventory given up of the Estate of a  
 person deceased for confirmation, to set forth the value of the Estate as at the date when  
 the Inventory is given up, and that it is not also necessary to set forth the value as at the  
 date of death. We further think, that the statutory form of confirmation contained in  
 Schedule E of the Act 21 and 22 Vict. c. 56, must be modified, in order to be in accordance  
 with the still more recent Statute, 23 and 24 Vict. c. 80, by leaving out the words "at the  
 time of his death." The opinion of

Edinburgh, 22d January 1861.

RETURN OF INVENTORY DUTY.

The inventory duty and probate and administration duty are paid on the whole personal property, without deduction of debts; but the Act 5 and 6 Vict., c. 79, § 23, provides for a return being given on proof of the constitution and payment of the debts. This return must be claimed within three years; but the time will be prolonged on application to the Board of Inland Revenue. A return of the duty paid on heritable securities may also be made in certain circumstances. See 23 and 24 Vict., c. 80, § 4 and 6. No return shall be given in respect of any voluntary debt due from any person dying after 28th June 1861, expressed to be payable on the death of such person, or payable under any instrument which shall not have been *bona fide* delivered to the donee three months before the death of such person. (24 & 25 Vict., cap. 92, § 3.)

LEGACY-DUTY.

On *Legacies, Residues, &c.*

Duty per ct.

To children or their descendants, or lineal ancestors,	£1 0
Brother or sister, or descendant,	3 0
Uncle or aunt, or their descendants,	5 0
Grand uncle or aunt, or their descendants,	6 0
All other relations or strangers,	10 0

The husband or wife of the deceased is not chargeable with duty. If the legatee's husband or wife is of nearer consanguinity than the legatee, duty is payable according to such near relationship. (16 and 17 Vict., cap. 51, § 11.)

This duty is payable for every legacy out of the personal or moveable estate, or out of or charged upon the real or heritable estate of the deceased, or out of any moneys to arise by the sale, mortgage, or other disposition of the deceased's real or heritable estate, or any part thereof: Also for the clear residue (after deducting debts, funeral expenses, legacies, and other charges first payable thereout) of the personal or moveable estate, whether the title to such residue shall accrue by virtue of any testamentary disposition, or upon a partial or total intestacy: And also for the clear residue of the moneys to arise from the sale, mortgage, or other disposition of any real or heritable estate, directed to be sold, mortgaged, or otherwise disposed of by any will or testamentary instrument. (55 Geo. III., cap. 184, schedule part III.)

Annuities commencing to be payable on the death of persons dying after 19th May 1853, are valued for legacy duty according to tables annexed to the Suc-

cession Duty Act, (16 & 17 Vict., c. 51;) and Annuities commencing to be payable previous to that date, by the Tables annexed to the Legacy Duty Act, (36 Geo. III., cap. 52.)

Duty is not exigible on legacies or residues under £20; but if a legatee take two or more legacies under any testament, which shall together be of the amount of £20, each shall be charged with duty though each or either may be separately under that amount.

*N.B.*—Printed forms and regulations regarding all the succession duties will be obtained gratis, on application at the Inland Revenue Office, Edinburgh; and at the offices of the distributors of stamps in the country.

**SUCCESSION DUTY.**—The duty commences on the death of persons dying after the 19th May 1853, and seems to be imposed on all property, both heritable and moveable, passing by death, not liable to the duty on legacies and successions to personal estate upon intestacy—the duty imposed by the Legacy Duty Acts. The duty on *heritable property* is charged on the annual value, after allowance of the necessary outgoings (§ 22), as an annuity for the life of the successor (§ 21), which is to be valued by tables annexed to the Act.

*Personal Property* is liable to duty according to the value of the succession; and money charged on heritage—heritable securities—is chargeable as personality (§ 1.)

*Rates of Succession Duty.*

Lineal issue, or lineal ancestor of the predecessor,—£1 per cent.

Brothers and sisters of the predecessor and their descendants,—£3 per cent.

Brothers and sisters of the father or mother of the predecessor and their descendants,—£5 per cent.

Brothers and sisters of the grandfather or grandmother of the predecessor and their descendants,—£6 per cent.

Any other person,—£10 per cent.

The husband or wife of the predecessor is not chargeable with duty (§ 18), and if the successor's husband or wife shall be of nearer consanguinity than the successor, duty is payable according to such nearer relationship (§ 11).

The following are also *exemptions* from the succession duty:—

1. Successions from the same predecessor, passing on any death, not amounting in principal value to £100 (§ 18).
2. Any succession of less value than £20 in the whole (ib.)
3. Legacies and personal property charged with legacy duty, in respect of the same acquisition (ib.)

*Note.*—The collection of the succession duty forms a branch of the business of the Legacy Duty Department of the Inland Revenue. Forms of the ac-

counts may be obtained at the Legacy Duty Office, Edinburgh, and at the offices of the distributors of stamps in the country.

### DISCOUNT ON THE PURCHASE OF STAMPS.

To persons who, after 31st December 1860, at one and the same time, shall produce at the office of Inland Revenue in *London* or *Dublin*, paper to be stamped with, or shall purchase at the said office in *London*, *Edinburgh*, or *Dublin*, stamps to the amount of £2 or upwards, or of any distributor or sub-distributor of stamps at any place not within the distance of *ten* miles from the said offices respectively, stamps to the amount of £1 or upwards, denoting any rate of duty not exceeding 1s. on *Bills of Exchange*, *Drafts* or *Orders*, or *Promissory*

*Notes*, or *Stamps*, for denoting the duty of one penny on any instrument or document whatever, (except postage stamps and customs stamps,) an allowance shall be made of tenpence for every 20s. of the amount of the duties denoted by such stamps. (23 & 24 Vict., c. 111, § 3.) Any person selling such stamps shall not make any charge for the paper whereon the same are impressed. Penalty for doing so, or demanding or receiving a greater price or sum than the amount of the stamp duty, £10. (Ib. § 25.)

### REGULATIONS AS TO EXCHANGING SPOILED STAMPS.

The Solicitor's Office, No. 5 in the Inland Revenue Office, is open for the allowance of spoiled stamps every Tuesday and Thursday, from 12 noon to 2 P.M. The distributors of stamps at the following places also receive spoiled stamps for allowance: Aberdeen, Ayr, Banff, Cupar-Fife, Dumfries, Dundee, Elgin, Forfar, Glasgow, Greenock, Inverness, Perth, Stirling, and Tain.

A supply of forms of affidavits is kept by the solicitor and the above distributors, and claimants may attend at the Solicitor's Office, and have the affidavits filled up and taken; or they may get copies of the forms, and take the oath before a Justice of the Peace, and afterwards lodge the affidavits and the stamps with any of the above officers. If the claim be admitted, a ticket is issued, stating that application is to be made for the new stamps after Thursday se'ennight, and within six weeks from the date of the ticket. If not made within that time, the claim will be forfeited.

The stamps, if belonging to parties resident in Edinburgh, or within ten miles thereof, must be presented for allowance within six months after being signed in the case of executed instruments, and six months after being spoiled in the case of unexecuted instruments. If beyond that distance, six months in the former, and twelve months in the latter case.

Bills and notes delivered to payees, or negotiated or issued in any way, and bills accepted or tendered for acceptance, cannot be exchanged unless a new bill be produced, in all respects the same, excepting the correction of the error.

As to the exchange of sea policies of insurance, see 54 Geo. III., cap. 133.

Unsigned instruments are allowed if inadvertently spoiled. Signed, if void in law from the beginning; from error or mistake, unfit for the purpose originally intended; from death, or refusal to sign, of any person whose signature is necessary; from the want of the signature of some material and necessary party; from refusal to act under, or from non-acceptance—they shall be unfit for or fail of the purpose intended; or if the transaction be carried through by another instrument duly stamped. (See 53 Geo. III., cap. 108.) In the case of transfers of stock signed by the seller alone, and other instruments if by one party, new deeds require to be produced to the proper officer of stamps, who, as to transfers, is instructed to certify in what particulars they differ from those spoiled.

Stamps of a different description may be obtained for any stamp spoiled if it be of the value of £6 or upwards. Application for this purpose to the Commissioners of Inland Revenue should be lodged with the affidavit. The Commissioners, by 3d and 4th Will. IV., cap. 97, § 19, may, if in their discretion they think fit, refund, in money, the amount of spoiled stamps. They are also authorised to repay the amount of stamps for which the possessor has no immediate use, if applied for within three months after being purchased. In both cases is deducted the per centage allowed by law on the purchase of stamps.

## STAMPING DEEDS AFTER BEING SIGNED.

*Beyond Twelve Months.*—The duty or deficiency of duty shall be due and payable to her Majesty, and also the penalty of £10. The deed will only be stamped on payment of the whole or (as the case may be) the deficiency of the stamp duty remaining payable on it, and over and above such duty a penalty of £10; and if the whole amount of said duty or deficiency shall exceed £10, then, in addition to said duty and penalty, there shall be paid, by way of additional penalty, interest on the duty or deficiency at the rate of 5 per cent. from the date or first signing of the deed; but such interest shall not exceed the amount of the said duty or deficiency of duty.

*Within Twelve Months.*—If the deed shall be brought to the Commissioners of Inland Revenue within twelve months after the first signing or executing, in order to be stamped, it may be stamped without payment of the penalty, or on payment only of a portion thereof, provided it shall be proved to the satisfaction of the Commissioners that the deed was not duly stamped previously to being signed, by reason of accident, mistake, inadvertency, or urgent necessity, and without any wilful design to evade or delay the payment of duty. (13 and 14 Vict., cap. 97, § 12.)

*Abroad.*—If the deed shall be executed by any party abroad, it may be stamped without any penalty, if brought to be so within two calendar months from the time of being received in the kingdom, upon proof of the facts to the satisfaction of the Commissioners. (13 and 14 Vict., cap. 97, § 13.)

## DOUBTS AS TO THE SUFFICIENCY OF STAMPS MAY BE REMOVED.

The opinion of the Commissioners of Inland Revenue as to the duty to which a deed, whether previously stamped or otherwise, is chargeable, may be obtained on the deed being presented at their office (Edinburgh) and a fee of 10s. paid. The duty or insufficient duty which the Commissioners may assess, and the penalty, if any, being paid, they shall stamp the deed with the duty so paid, and thereupon, and also in the case of the deed being previously sufficiently stamped, shall also impress the deed with a particular stamp to be provided for the purpose. The deed shall then be received in evidence notwithstanding any objection to it as insufficiently stamped. The provision does not apply to bonds or mortgages for unlimited amounts, nor instruments after being signed, prohibited from being stamped. The opinion of the Commissioners may be appealed

*Adhesive Stamps.*—Where adhesive stamp may be affixed to any instrument, an officer of Inland Revenue, authorised by the Commissioners, may, on the instrument being produced to him, affix and cancel the adhesive stamp. The instrument shall thereupon be deemed sufficiently stamped. But this not to apply to instruments not allowed to be stamped after being made, signed, or issued, nor to instruments after the expiration of the period limited for stamping them. The penalty required to be paid on stamping of the instrument not affected by this provision. (24 and 25 Vict., cap. 91, § 32.)

*N.B.*—Instruments are received at the Solicitor's Office, Inland Revenue, Waterloo Place, Edinburgh, to be stamped, if within two months of the first date (the solicitor may, in certain circumstances, receive them within two months of the last date), on payment of the duty: if beyond that date, on payment of the duty and penalty. Parties, on applying, will be furnished with a schedule, and after being filled up, it is to be presented, along with the instrument, at the Solicitor's Office, No. 5 Inland Revenue, between 10 and 12 o'clock, on Mondays and Wednesdays only. The amount of duty wished to be impressed on the instrument is to be inserted by the applicant before being presented at the Solicitor's Office; and afterwards he pays it, and the penalty, if any, to the cashier, No. 3, Lobby. As to stamping Agreements and Charter-Parties, see Notes under these heads.

against the Court of Exchequer at Westminster, on the Stamp duties assessed being paid, and 40s. for costs being deposited. (13 and 14 Vict., cap. 97, § 14 and 15.) The Commissioners may also adjudge on deeds not liable to any stamp duty; and if any duty is assessed, the party may appeal. (16 & 17 Vict., c. 59, § 13.)

*N.B.*—Instruments are received for adjudication at the Solicitor's Office, Inland Revenue, Edinburgh, on the same conditions as to duty and penalty as instruments to be stamped merely, (*see above*.) The mode of proceeding is as follows:—The sum of *ten shillings* for the adjudication stamp is first to be paid to the Cashier, No. 3, Lobby. Then the schedule, (the duty to be impressed of course not being inserted in the schedule,) the instrument after execution, and a full copy (written on foolscap paper) of it.

(omitting the bounding description of lands, &c., and having appended to it a table giving the substance of the clauses and provisions, particularly dates and sums, and a reference to the page of the copy on which each commences,) are to be left at the Solicitor's Office, No. 5, on Mondays and Wednesdays, between 10

and 12 o'clock *only*. Between 10 and 12 o'clock on the Thursday following, a party, who can give explanation, must call on the chief clerk of the Solicitor's Department, No. 6; and he should be prepared to pay the proper duty, and penalty, if any, to the Cashier, No. 3, Lobby.

### DUPLICATES OR COUNTERPARTS.

Duplicates or counterparts of instruments requiring to be impressed with the denoting stamp to render them valid, may be lodged at the Solicitor's Office, No. 5, Inland Revenue, Edinburgh, between 10 and 12 o'clock on Mondays and Wednesdays only. A transmission of them is made once a-week to the Head-Office.

The principal instrument, as well as the duplicate, must be lodged, and both must appear to be properly stamped, otherwise they will not be transmitted.

*Mem.*—The revenue takes no risk of loss or injury connected with the custody or carriage of the instruments received and transmitted to be stamped.

## HACKNEY CARRIAGES IN EDINBURGH.

### FARES BY DISTANCE.

1st, The distance to which any Hackney Carriage may be driven under these Bye-Laws, shall be seven miles from the Cross of Edinburgh.

2d, When a Party not exceeding two grown-up persons, and without any luggage other than a carpet bag or the like, enters a Carriage at a Stance, or when driving along disengaged, they shall be driven half a mile for 6d., and if they return they shall pay the same fare; the driver shall draw up to either side of the pavement when called, and if detained more than five minutes before starting he shall be entitled to sixpence for waiting.

*N.B.*—This rule shall not apply to Fares from Railway Stations.

### FARES BY TIME.

It shall be in the option of the Hirer to employ a Carriage within the Municipal Bounds by time, for *bonâ fide* SHOPPING, MAKING CALLS, and the like, where the driving is not continuous. The charge in such cases shall be 1s. for the first half-hour, and 6d. for every additional quarter of an hour.

For an **AIRING** into the Country within seven miles from the Cross of Edinburgh, and returning either by the same or a different road, the rate shall be sixpence for every ten minutes, or 3s. per hour. A drive round the Queen's Drive, shall be considered an Airing. Unless the Hirer wishes a slower pace, the rate of driving when out an Airing shall be at least six miles an hour; and in the event of the driving being at a slower pace than six miles an hour, contrary to the wish of the Hirer, it shall be optional for the Hirer to pay the fare in the proportion of 3s. for every six miles so travelled.

From Twelve at night till Seven Morning, double Fare.

The above Fares are for One-Horse Carriages, and there shall be no additional charge when two horses are used.

Owners or Drivers may agree to drive at lower Fares than those fixed. In that case, should they demand more than the Fare agreed on, they shall be liable as for an overcharge.

### LUGGAGE.

For Luggage, exceeding 100 lbs. in weight, there shall be a charge of 6d. extra. But there shall be no charge for Luggage under that weight. The Driver shall assist in loading and unloading in all cases when required.

**TABLE OF FARES.**

In the following Table of Fares the Streets and Stances are arranged alphabetically.

*Note.*—To prevent disputes or loss of Property, every Party on entering a Carriage should ask for a Reference Ticket, which the Driver is bound to give. The Reference Ticket shall be in the following terms, viz. :—

# NOTICE.

## DIRECTIONS TO THE CITY PEDESTRIANS.

To avoid jostling in meeting upon the Foot-pavements, observe the general rule, "Keep to the Right," or, in other words allow those that you meet to pass on your left. If this well-known rule were more generally acted upon, much inconvenience would, of course, be avoided in our crowded Thoroughfares.

# GENERAL POST-OFFICE, EDINBURGH.

POSTMASTER-GENERAL FOR THE UNITED KINGDOM,  
RIGHT HONOURABLE LORD STANLEY OF ALDERLEY.

## I.—RATES OF POSTAGE.

### Inland Letters.

The rate of postage on all inland letters is regulated by weight, irrespective of distance; and is as follows:—

#### If paid in advance.

Letter weighing not more than half-an-ounce . . . . .	1d.
“ “ more than half-an-ounce but not exceeding one ounce . . . . .	2d.
“ “ more than one ounce but not exceeding two ounces . . . . .	4d.
“ “ more than two ounces but not exceeding three ounces . . . . .	6d.
and so on; twopence being charged for every additional ounce.	

### Unpaid Letters.

Except on re-directed letters, the postage, if not paid in advance, is double the foregoing; and if the payment in advance be insufficient, double the deficiency must be charged. An inland letter, for example, weighing more than half an ounce, and not exceeding one ounce, if bearing a penny stamp only, must, on delivery, be charged twopence. The unpaid *additional* postage on re-directed letters, however, is not doubled, being the same as if such postage were prepaid. Unless three-quarters, at least, of the postage of a letter weighing more than 4 oz. be prepaid, the letter is not forwarded.

### Colonial and Foreign Letters.

The rates of postage on letters to foreign countries and the colonies are entered in the Table of Foreign and Colonial Postage at page 463.

### Addresses to the Queen and Petitions to Parliament.

Petitions and Addresses to Her Majesty, forwarded direct, are exempt from postage; and such petitions and addresses, as also petitions to either House of Parliament, if sent to a member of either House, are likewise exempt, provided they do not weigh more than two pounds, and are without covers, or in covers open at the sides. No letter or other enclosure, however, must be inserted; and if one be found, such enclosure, unless it bear the proper number of postage stamps, is charged as an unpaid letter.

### Newspapers and other periodical Publications bearing the Newspaper Stamp.

All periodical publications, including newspapers published in the United Kingdom, at intervals not exceeding thirty-one days, and which bear an impressed stamp or stamps denoting the stamp duty (of the kind formerly confined chiefly to newspapers), may be transmitted and re-transmitted through the post within the United Kingdom free from postage under the following regulations, viz.:—

1. They are subject to the same restrictions with regard to the number of sheets and super-

official extent as were formerly applicable only to newspapers properly so called. These restrictions are shewn in the following Table:—

Amount of Stamps impressed on the Publication.	Maximum Number of Sheets.	Maximum Superficial Extent of Letterpress on One Side.
One Penny . . . . .	Two . . . . .	2295 inches.
Three Halfpence . . . . .	Three . . . . .	3443 „
Twopence . . . . .	Four . . . . .	4590 „

2. No publication, or portion thereof, can pass through the post, unless the impressed stamp which it bears be at least a stamp of the value of one penny.
3. The title and date of the publication must be printed at the top of every page.
4. The publication must be folded in such a manner, that the whole of the stamp or stamps, denoting the full duty, shall be exposed to view, and be distinctly visible on the outside, except that where there are more than two publications in the same cover, it will be considered sufficient if the stamps are so arranged that they can readily be examined.
5. It must not be printed on pasteboard or cardboard, or on two or more thicknesses of paper pasted together; nor must any pasteboard, cardboard, or such pasted paper be sent with it as a back or cover thereto, or otherwise.
6. It must be posted within fifteen days from the date of publication.
7. It must either have no cover, or a cover open at the ends.
8. It must contain no enclosure.
9. It must have no writing or other mark thereon, but the name and address of the person to whom it is sent, nor anything on the cover but such name and address, the printed title of the publication, and the printed name and address of the publisher or vendor who sends it. Thus, if a newspaper, after having the address of one person written on it, be sent to another person, the first address must be cut off, otherwise the paper will be charged as an unpaid letter.
10. If the publication be addressed to any person within the free delivery of the place where it is posted, it becomes liable to a postage of one penny, which must be prepaid by affixing a postage stamp.
11. When a newspaper, &c., is so folded as not to expose the stamp or stamps, a postage of one penny is charged in addition to any other postage to which the publication, if properly folded, would have been liable; and if the newspaper, &c., be addressed to any person within the free delivery of the place where it is posted, and do not bear a penny postage label, it will be charged twopence. In case of any other irregularity, the publication is dealt with in accordance with the regulations of the book post.
12. It is suggested that every publication should have a notice to purchasers conspicuously printed, pointing out the necessity of exposing the stamp or stamps to view whenever the publication is sent through the post.
13. Stamped publications which have been issued more than fifteen days, can be forwarded within the United Kingdom and to most of the colonies under the regulations of the book post.

Newspapers sent abroad must have been registered at the General Post-Office; and instead of requiring to have an impressed stamp, each newspaper, if sent to a British Colony, is liable to a postage of 1d. (which must be prepaid by a postage label), together with an additional postage (as shewn in the Table of Colonial and Foreign Postage) when the newspaper has to pass through a foreign country. In the same table will be found the postage of newspapers sent to foreign countries.

## Parliamentary Proceedings.

Printed proceedings of the Imperial Parliament, sent without covers, or in covers open at the ends, may circulate within the United Kingdom at the following rates of postage:—

- |  |     |
|--|-----|
| Weighing not more than four ounces . . . . .                         | 1d. |
| „ more than four ounces but not exceeding eight ounces . . . . .     | 2d. |
| „ more than eight ounces but not exceeding twelve ounces . . . . .   | 3d. |
| „ more than twelve ounces but not exceeding sixteen ounces . . . . . | 4d. |
- and so on; one penny being charged for every additional four ounces.

Prepayment, when the circulation is within the United Kingdom, is optional; and if it be made in part, the simple difference is only charged. The words *PAR. PRO.* should be invariably written or printed on the cover.

To the British colonies and possessions in West Indies, Canada, Hong Kong, Ceylon, Malta, and Gibraltar, the rates chargeable on Votes and Proceedings are the same as printed books, and to certain other colonies, according to Book-rate.

## Inland Book Post.

At the following charges, and on the subjoined conditions, book packets may be sent by the post to any place within the United Kingdom:—

- |   |     |
|---|-----|
| Weighing not more than four ounces . . . . .                        | 1d. |
| " more than four ounces and not exceeding eight ounces . . . . .    | 2d. |
| " more than eight ounces and not exceeding sixteen ounces . . . . . | 4d. |
| " more than one pound and not exceeding 1½ pounds . . . . .         | 6d. |
- and so on; 2d. being charged for every additional half-pound or any less weight.
1. The postage must be prepaid in full, by means of postage stamps affixed outside the packet or its cover.
  2. Every packet must be sent either without a cover, or in a cover open at the ends or sides.
  3. A book packet may contain any number of separate books or other publications, prints, or maps, and any quantity of paper, parchment, or vellum (to the exclusion, however, of letters, whether sealed or open). And the books or other publications, prints, maps, &c., may be either printed, written, or plain, or any mixture of the three. Further, all legitimate binding, mounting, or covering of a book, publication, &c., or of a portion thereof, will be allowed, whether such binding, &c., be loose or attached; as also rollers, in the case of prints or maps; markers (whether of paper or otherwise), in the case of books; and, in short, whatever is necessary for the safe transmission of the packet, or usually appertains thereto, but no patterns or books of patterns can be admitted.
  4. A book packet, whatever may be the postage paid thereon, must not contain any *written* letter, closed or open, or any enclosure sealed or otherwise closed against inspection. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter, and may therefore be made.
  5. No book packet can be received, if it exceeds two feet in length, width, or depth.
  6. Any packet which shall not be open at the ends or sides, or shall have any written letter or any communication, of the nature of a letter in it, or upon its cover, is charged with the "unpaid" or double letter postage.
  7. If a packet be found to contain any letter, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other unauthorised enclosure, the letter or enclosure is taken out and forwarded to the address on the packet, charged with the full postage, as an unpaid letter, together with an additional rate of 1d.; and the remainder of the packet, if duly prepaid with stamps, is then forwarded to its address.
  8. If a packet be not sufficiently prepaid with stamps, but nevertheless bear a stamp of the value of 1d., it must be forwarded, charged with the deficient book postage, together with an additional rate of 1d.; but any packet which shall bear no postage stamp is charged with the "unpaid" or double letter postage.
  9. In every case in which the postage charged upon a packet under these regulations would be greater than the letter rate, the latter postage is substituted.

## Colonial Book Post.

At the following charges, and on the same conditions as the foregoing (except that no packet weighing more than three pounds can be sent to the East Indies or to New South Wales, and that no book packet can be sent direct to any other part of the Cape Colony than Cape Town, Port Elizabeth, and Mossel Bay), book packets can be forwarded to every Colony:—

- |  |                         |                        |
|--|-------------------------|------------------------|
| To India, Ceylon, New South Wales, Victoria, Tasmania (Van Diemen's Land), South Australia, Western Australia, New Zealand, Mauritius, and Hong Kong, the charge is as follows:— | <i>Via Southampton.</i> | <i>Via Marseilles.</i> |
| Weighing not more than four ounces . . . . .   | 4d.                     | 6d.                    |
| " more than four ounces but not exceeding eight ounces . . . . .   | 8d.                     | 1s. 0d.                |

For a Packet of Books or Printed Papers other than British Newspapers . . . . .	0 3	0 6	1 0	1 6	2 0

And so on, adding Twopence or Sixpence, as the case may be, for each additional half-pound.

The same rates of Postage must be paid in advance upon Newspapers and other Printed Papers addressed to any of the following countries and places, the correspondence for which is forwarded, as a rule, through France, viz.—Baden, Bavaria, Greece, the Papal States, Two Sicilies, Switzerland, Syria, Tripoli, Tunis, Turkey and Egypt, and Wurtemberg, *when specially directed to be forwarded "via France."* On the class of Printed Papers, the rate paid in this country will cover the whole charge, either to the extreme frontier of France, or to the port of disembarkation, if they are conveyed from France by one of the French Mediterranean Packets.

Upon Newspapers addressed to the Ionian Islands *specially directed to be sent via France*, and upon Newspapers for Malta, *specially directed to be sent "by French Packet via Marseilles,"* the same rates of Postage must also be paid in advance.

The following is a list of the places in Turkey, Syria, and Egypt, at which France maintains Post-Offices, to all which the above rates apply, viz.:—Alexandria, Jaffa, Beyrout, Tripoli in Syria, Latakia, Alexandretta, Messina, Rhodes, Smyrna, Mitylene, Dardanelles, Gallipoli, and Constantinople.

All Newspapers, to be forwarded at the lower of the two rates mentioned above, must be posted within Fifteen Days from the Date of Publication.

There must be no other writing or marks upon the Newspapers or Printed Papers than the name and address of the person to whom they are sent, nor anything upon the cover but such name and address, the printed title of the papers, and the printed name and address of the publisher or vendor who sends them.

If any of the above regulations be disregarded, or if the whole postage be not paid in advance, the Packets will either be detained, or forwarded charged as unpaid Letters.

Newspapers addressed to the Mediterranean or the East Indies, and intended to be sent in the closed Mails by way of Marseilles, will continue liable to the existing regulations, including the present Rates of Postage.

## Sardinia, Tuscany, Spain, Portugal, &c.

Rates of postage (which must be paid in advance) chargeable upon Book Packets, including Newspapers and other printed Papers, addressed to Spain, the Balearic and Canary Islands, Sardinia, Tuscany, Parma, Modena, Venetian Lombardy, and places in the Austrian dominions, when specially addressed *via Sardinia*:—

and so on, two rates being charged for every additional 8 oz. or part of 8 oz.		

To Spain, the Balearic or Canary Islands, *bound Books* cannot be sent; neither can Prints, Music, Maps, nor Drawings, unless they form part of any publication included in a packet of printed papers.

Printed papers, such as Periodicals, Sheets of Music, Catalogues, Prospectuses, and Notices of various kinds (*but no bound Books*) may be sent to Portugal, Madeira, Azores, and Cape de Verde Islands by packet or private ship at 1d. per ounce, or if sent *via* France and Spain, 2d. per ounce.

## Precautions against Fraud, &c.

The Head Postmaster who first receives a book-packet is required, whenever he has ground for suspecting an infringement of any of the above conditions, and occasionally, even when there is no ground for suspicion, to open and examine the packet; and every book-packet which is not open at the ends or sides, or which exceeds two feet in length, width, or depth, or which has any letter or any communication of the nature of a letter written or printed in it or upon its cover, or which does not bear postage stamps equal to a single book-rate, is ordered to be sent up, with as little delay as possible, to the Returned Letter Branch of the Circulation Office in London, Dublin, or Edinburgh, as the case may be; but in the case of any other infringement of the regulations, the packet is dealt with by the Postmaster himself.

To prevent obstacles to the regular transmission of letters, any Head Postmaster may, when necessary, delay forwarding a book-packet for a period not exceeding twenty-four hours beyond the ordinary time; and at Packet Offices the delay may, at the option of the Postmaster, be either for that period, or until the despatch of the mail next after that by which the book-packet ought otherwise to be forwarded.

## II.—REGISTRATION.

By the prepayment of a fee of sixpence (which must be made, not in money, but by affixing stamps) any letter, &c., *paying full letter-rate*, may be registered to any place within the United Kingdom. Book-packets and newspapers can also be registered to the colonies. To foreign countries *letters only* can be registered. Every letter to be registered should be presented at the Paid Letter Office, and a receipt obtained for it, and must on no account be dropped into the letter box. If a letter marked "Registered" be put in the letter box, it will be liable to a registration fee of 1s., instead of the ordinary fee of 6d. The registration of a packet makes its transmission more secure, by rendering it practicable to trace it, when inland, from its receipt to its delivery; and when foreign or colonial, if not to its delivery, at least to the port of despatch. The Post-Office does not guarantee the safe delivery of the letter, &c., though the officers are of course responsible to the Postmaster-General, who will call to strict account any one neglecting his duty on this point, and, if his Lordship think proper, will require him to make good any loss that may be sustained thereby.

*The latest time for posting registered letters is half-an-hour before the time for posting ordinary letters.*

## Parliamentary Notices.

Parliamentary notices may be forwarded through the post under the following regulations:—

1. The words "Parliamentary Notice" must be legibly printed on the face of the letter; and in order to secure the speedy return of any notices which may be undelivered, the name and address of the solicitor issuing such Parliamentary Notice should also be legibly printed or written on the face of the letter; though this latter is not imperative.
2. These notices must be posted either at the General Post-Office, St Martin's-le-Grand, in London; the General Post-Office in Dublin; the General Post-Office in Edinburgh; or at the chief office at one or other of the following towns:—

Aberdeen

Athlone

Belfast

Birmingham

Bristol

Cork

Exeter

Glasgow

Inverness

Leeds

Lincoln

Liverpool

Manchester

Newcastle-upon-Tyne

Norwich

Shrewsbury.

3. All notices which, by the standing orders of either House of Parliament, are required to be served on or before the 15th December, must be posted on or before the 12th December, unless the 12th falls on a Sunday, when they must be posted not later than the 11th; but those notices which, by the same orders, may be served later than the 15th, may be posted after the 12th of that month.
4. The postages chargeable on these notices must be prepaid by stamps; the registration fee of sixpence on each notice being paid in the usual manner.

5. The notices must be posted at the Post-Office window, accompanied with duplicate lists of the addresses; the letters being arranged, for the convenience of comparison, in the order of the list. These lists are examined by the officer in attendance at the window; and if each list correspond with the address, he will sign and stamp every sheet of each list. One of the duplicate lists will then be returned to the person who brought the letters, and the other forwarded to the Secretary, General Post-Office, London.

The hours for receiving both Parliamentary Notices and the undermentioned Voting Notices are the same as those for the registry of ordinary letters, unless the Parliamentary Notices be presented at such a time as to interfere with the ordinary duties of the office; in which case the Postmaster may appoint any other time within the next twenty-four hours for receiving the same; providing that, when the notices are to be served on or before the 15th December, such arrangement do not delay the posting beyond the 12th.

Whoever sends Parliamentary Notices should, if possible, arrange on the day before with the Postmaster as to the most convenient time for posting them, and state the probable number.

## Voting Notices.

On prepayment of the postage and of a registration fee of twopence, a notice belonging to any one of the classes enumerated in the Act 6 Vict. c. 18 (relating to votes for members of Parliament) can be sent through the post with the securities for their safe delivery enjoined by law, provided it be brought duly directed, open and in duplicate, to a Postmaster of an office where Money-Orders are issued or paid. On receiving the notice, the Postmaster has to compare it with the duplicate; and if the two agree, the latter will be stamped and returned to the bearer.

## Poll-books.

When a poll-book is presented by any returning officer to be forwarded by post, the Postmaster is required to give to such officer an acknowledgment thereof in writing, stating therein the time when he received it.

No registration fee is demanded for poll-books, and prepayment of the postage is optional, without regard to weight.

## III.—DELIVERY.

Letter Carriers and Rural Messengers are prohibited, under pain of dismissal, from demanding or receiving any payment beyond the postage on letters, newspapers, &c., which they are required to collect or deliver; or from distributing any letters, newspapers, &c., whether before beginning their rounds, whilst on their rounds, or after they may have completed them, except those which have been regularly posted.

## Delivery at Window.

Except where the number of daily deliveries is considerable, and where, therefore, the Surveyor considers such a regulation unnecessary, letters are delivered at the window after the arrival of every mail (within office hours) as soon as they can be sorted. In all cases, however, when there is a corresponding delivery by Letter Carriers, the window delivery (whether to the holders of private boxes or to the public generally) does not begin till the Letter Carriers have left the office, nor is it allowed in any way to delay the departure of the Letter Carriers.

In order to prevent the additional trouble which is sometimes caused by letters being directed to a Post-Office, although for persons residing within a free delivery from such office, but who have no private box, a Postmaster is authorised, when such letters arrive by a mail for which there is a delivery from house to house, to refuse to deliver them at the window, and to send them out by the Letter Carriers, except letters addressed to the military in barracks.

## Private Boxes and Bags.

Any person can have a private box who is willing to pay the appointed fee. Where this fee goes to the Revenue, it is fixed at one guinea per annum, to be paid in advance, and for a period of not less than a year; and where it goes to the Postmaster, he may demand the same terms, though he may, at his option, take less. The same also, in most cases, are the terms for a private bag, except that in addition there is the cost of the bag itself, and a charge for conveyance, the maximum of the latter being half-a-guinea per annum if by a foot-messenger, and two guineas if by a mounted one. As the service of a private bag, however, may possibly delay the despatch of a general bag, none must be allowed without the permission of the Surveyor.

## IV.—POSTAGE STAMPS.

Every Postmaster is required to have on hand a sufficient stock of postage labels and penny stamped envelopes, and to sell them to the public at the following prices:—

### Stamped Labels.

Penny Labels, . . .	1d. each.	Fourpenny Labels, . . .	4d. each.
Twopenny do., . . .	2d. each.	Sixpenny do., . . .	6d. each.
Threepenny do., . . .	3d. each.	Ninepenny do., . . .	9d. each.
Shilling Labels, . . .	1s. each.		

### Stamped Penny Envelopes.

12 to be sold for . . .	1s. 1½d.	4 to be sold for . . .	4½d.
8     "     . . .	0s. 9d.	2     "     . . .	2½d.
6     "     . . .	0s. 6¾.	1     "     . . .	1½d.

Every Rural Messenger is authorised to sell postage stamps (including stamped envelopes) at the same prices at which Postmasters are empowered to sell them; and is required, when he begins his round, to have in his possession ready for sale at least five shillings' worth of penny labels.

## Stamps.

Prepayment of inland letters, &c., must be by stamps, except at the Chief Post-Office, London. In the prepayment of books stamps only must be used; but prepayment of letters to the colonies or places abroad, and in the case of letters posted in Malta, Gibraltar, Constantinople, the colonies in the West Indies, under the control of the Postmaster-General, may be made either in stamps or money. Except by soldiers and sailors in Her Majesty's service, British postage stamps are not available in the payment of letters, &c., *coming into the country.*

## V.—MONEY-ORDERS.

Requisition Forms for Money-Orders are sold at the rate of ten forms for one penny, or of five or any smaller number of forms for a halfpenny.

No order is to contain a fractional part of a penny.

With the subjoined exceptions, no Money-Order can be issued unless the applicant furnish, in full, the surname and one Christian name, both of the remitter (the person who sends the order) and the payee (the person to whom the money is to be paid), together with the remitter's address; and if the name of either party be tendered at greater length, it must be received and advised accordingly.

### Particulars required for Money-Orders.

1. If the particulars be furnished in writing (whether by filling up the blanks in the printed form or wholly in manuscript), it will not be necessary to give the Christian name in full; it will be sufficient if the first letter be given.
2. If the remitter or payee be a peer or a bishop, his ordinary title is sufficient; and if a firm, the usual designation of such firm will suffice, except a company trading under a title which does not consist of the names of the parties composing it, as the "Carron Company," to which kind of company the above privilege does not extend.
3. When the remitter notifies in writing that the order is to be paid through a bank, it is left to his option to give or withhold the name of the payee. The issuing officer must in such case cross the order in the way that cheques are commonly crossed when they are to be paid through a bank.

When application is made for a Money-Order payable in London, or any other town where there is a plurality of Money-Order Offices, the remitter should say at which of such offices he wishes it to be paid, otherwise the order can be paid at the Chief Office alone. It is not, however, incumbent on a Postmaster to supply such information relative to local or provincial offices.

An order once issued cannot be cancelled; and should repayment or transfer to a different office or alteration of name be required, the remitter must apply to the Metropolitan Office.

## Payment of Money-Orders.

When an order is presented for payment (otherwise than through a bank), the Postmaster has first to see that the signature of the payee be as full as the name given in the advice, and be not in any way inconsistent therewith. He has then to call on the applicant to give the name of the remitter, and if the reply be correct, the order will be paid, unless the Postmaster have good reason for believing that the applicant for payment is neither the rightful claimant, nor deputed by him. When an order is paid through a bank, it is sufficient that it be receipted (without regard to any discrepancy between the signature and the name in the advice, or to whether the receipt is given by the payee himself or any other person), and that it be presented (crossed with the name of the receiving bank) by some person known to be in the employment of the bank.

The holder of a Money-Order is always at liberty to direct, by crossing it, that the order be paid through a bank, even though its payment was not originally so restricted; and when the order is thus crossed, the question put on the presentation of an ordinary Money-Order is dispensed with.

## Lapsed and Void Orders.

Money-Orders do not require a receipt stamp.

Payment of an order must be obtained before the end of the second calendar month after that in which it was issued (for instance, if issued in January, it must be paid before the end of March), otherwise the order becomes lapsed, and a new order will be necessary, for which a second commission will be charged. Any person presenting a lapsed order will be furnished with a copy of a printed notice headed "Lapsed Money-Orders," containing directions how to proceed. If the order be not paid before the end of the twelfth calendar month after that in which it was issued (for instance, if issued in January, and not paid before the end of next January), all claim to the money will be lost.

No application can be entertained for compensation for alleged injury from the non-payment of a money-order at the expected time; and after once paying a money-order, by whomsoever presented, the office is not liable to any further claim.

Under no circumstances can payment of an order be demanded on the day of issue; and as respects orders granted at minor offices, time must be allowed for the advice to pass through the Metropolitan Office.

In case of the miscarriage or loss of a money-order, a duplicate is granted on a written application (with the necessary particulars) to the Comptroller of the Money-Order Office of the kingdom where the original order was issued; and by a similar application to the same officer, who (except as regards a temporary power to stop payment) can alone act in such cases, authority can be obtained to transfer the payment of an order from one office to another, or to stop payment, or to correct any error in the name of the remitter or payee, or to repay the money to the remitter. Every such application, however, must contain, in postage stamps, a second commission (namely, threepence for an order not exceeding £2, and sixpence for an order above that sum), though one commission will suffice even when, in the same application, more things than one, relating to the same order, are asked for; as both the stoppage of payment and repayment to the remitter. Unless a sufficient reason be given for an exception, the application must be either from the remitter or payee. Whenever, on complaint being made, it is found that the necessity for an application entailing the payment of a fresh commission is attributable to the Post-Office, the stamps transmitted in payment of the commission will be returned; and when it can be ascertained where the blame lies, the officer in fault will be required to pay the additional commission.

A Postmaster is required to give information how to apply for a duplicate order, &c., and must furnish the applicant with the prescribed form of application. Moreover, if payment of an order is refused in consequence of the replies to the questions respecting the remitter not corresponding with the entries in the advice, or of a difference in the name in the receipt, the Postmaster should advise the applicant for payment to communicate with the remitter, and request him to apply to the Comptroller of the Metropolitan Money-Order Office of the kingdom in which the order was issued, enclosing in his application the additional commission (in postage stamps) chargeable for the alterations required.

No Letter Carrier or other servant of the Post-Office is bound to procure a Money-Order for any person, nor to obtain payment for one, but such services are not forbidden.

No Money-Order business must be transacted on the Sunday; but for the convenience of the labouring classes the office must be kept open on the Saturday night till eight o'clock (or as near that hour as the despatch of the mail will allow), except where the Surveyor shall consider such arrangement unnecessary.

## VI.—MISCELLANEOUS RULES.

With the following exceptions, no letter, &c., can be forwarded by the post which is more than two feet in length, breadth, or depth. The exceptions are—

1. Packets to or from places abroad.
2. Packets to or from any of the Government Offices or Departments, or Public Officers.
3. Petitions or addresses to the Queen, whether directed to Her Majesty, or forwarded to any member of either House of Parliament.
4. Petitions to either House of Parliament, forwarded to any member of either House.
5. Printed Parliamentary proceedings.

No information can be given respecting letters which pass through a Post-Office except to the persons to whom they are addressed; and in no other way is official information of a private character allowed to be made public.

### Letters must not be returned to Writers.

Postmasters are not authorised to return any letter, &c., to the writer or sender, or to any one else, or to delay forwarding it to its destination according to the address, even though a request to such effect be written thereon; as every letter, &c., must be delivered to the person to whom it is directed, and to him alone.

### Late Letters.

Late letters, &c., are received till within five minutes of the despatch of the mails, except in those large towns where the Surveyor may deem an interval of ten minutes necessary, and excepting that no office is to be kept open merely for this purpose after ten o'clock at night.

### Prepayment of late Letters.

No late letters, &c., must be forwarded by the mail preparing for despatch unless prepaid, and that in stamps, so as to include both the ordinary postage and the late-letter fee.

### Re-directed Letters, &c.

With the subjoined exceptions, every re-directed letter, newspaper, or other postal packet, is liable to an additional postage (at the prepaid rate), unless the re-direction be made by an officer of the Post-Office, and be within the district belonging to the same Head Office. Thus, on a paid or unpaid letter, re-directed by an officer of the Post-Office to any other postal district in the United Kingdom, and weighing not more than half-an-ounce, an additional postage is levied of one penny; or if the weight be more than half-an-ounce but does not exceed an ounce, of twopence; and so on. Upon a book thus re-directed to any other postal district in the United Kingdom, and weighing not more than four ounces, an additional postage of one penny is levied; or if the book weigh more than four ounces but not exceeding eight ounces, an additional postage of twopence; and so on. A registered letter, when re-directed, is not subject to more additional charge than an ordinary letter. Letters addressed to commissioned officers in the army, navy, or ordnance, employed on actual service in any of Her Majesty's colonies, or on any foreign station, may be re-directed to such officers when removed *upon service* (whether at home or abroad), and are delivered to them for the same amount of postage that would have been chargeable had they been delivered at their original address. The same privilege extends to the letters of the soldiers and seamen described in the Table of Colonial and Foreign Postage, except as regards foreign postage, which must be paid.

Every Postmaster is required to have a notice conspicuously placarded, giving information respecting the hours of attendance, the despatch and delivery of letters, &c.

During the time the office is open on Sunday, the public are allowed to prepay foreign or colonial letters, to purchase postage stamps, and to have letters registered; and all other duties as usual, except the issue and payment of Money-Orders, which on that day are wholly suspended.

At no office is there more than one delivery on the Sunday; and any person is at liberty to prevent even this, so far as relates to himself, as shewn in the following regulations:—

1. Any person can have his letters, &c., retained in the Post-Office on Sunday, by addressing to the Postmaster a written request, duly signed, to that effect.
2. Such request will be held to include newspapers, and all other postal packets, even such as may be marked "immediate," as no distinction can be allowed.
3. No letters, &c., the non-delivery of which by the Letter Carrier on Sunday has been directed, can be obtained from the Post-Office window on that day.
4. Private box-holders have the option of applying for their letters at the office while it is open for delivery on Sunday, or of abstaining from so doing, as they may think proper, but no person can engage a private box for Sunday only.

5. To prevent the inconvenience and confusion which would arise from frequent changes in these instructions, no request can be entertained unless it extend to a period of at least three months, nor withdrawn, even after the lapse of that time, without a week's notice.

No Postmaster is bound to give change, or is authorised to demand change; and when money is paid at the Post-Office, whether as change or otherwise, no question as to its right amount, goodness, or weight can be entertained after it has been removed from the counter.

Except as regards foreign and colonial letters about to be prepaid in money, a Postmaster is not bound to weigh any letters or other packets for the public, though he may do so if his duty be not thereby impeded. Postmasters are instructed not to receive any letter, &c., which there is good reason to believe contains anything likely to injure the contents of the mail bag, or the person of any officer of the Post-Office. The following are examples of the articles referred to:—

A glass bottle, or glass in any form; razors, scissors, needles, knives, forks, or other sharp instruments; leeches, game, fish, meat, fruit, or vegetables; bladders or other vessels containing liquids; gunpowder, lucifer matches, or anything explosive or combustible.

By the 1st Victoria, cap. 36, sec. 2, any person illegally conveying letters incurs a penalty of £5 for every offence, and £100 for every week the practice is continued. The sender also incurs a penalty of £5 for every offence, with full costs of suit.

The following are exceptions from the exclusive privilege of the Post-Office in the conveyance of letters:—

1. Letters sent by a private friend, so as such letters be delivered by such friend to the party to whom they shall be directed:
2. Letters sent by a messenger on purpose, concerning the private affairs of the sender or receiver thereof, commissions or returns thereof, and affidavits and writs, process or proceedings or returns thereof, issuing out of a Court of Justice:
3. Letters sent out of the United Kingdom by a private vessel (not being a packet-boat):
4. Letters of merchants, owners of vessels of merchandise, or the cargo or loading therein sent by such vessels of merchandise, or by any person employed by such owners for the carriage of such letters, according to their respective directions, and delivered to the respective persons to whom they shall be directed, without paying or receiving reward or profit for the same in anywise:
5. Letters concerning goods or merchandise sent by common carriers to be delivered with the goods which such letters concern, without payment for receiving or delivering such letters.

But the following persons are expressly forbidden to carry a letter, or to receive or deliver a letter, even though they shall not receive payment for the same:—

- a. Common known carriers, their servants or agents, except a letter concerning goods in their carts or waggons, or on their pack-horses; and owners, drivers, or guards of stage-coaches.
- b. Owners, masters, or commanders of ships, vessels, steam-boats, or boats called or being passage or packet-boats, sailing or passing coastwise or otherwise between places within Great Britain or Ireland, or between ports within Her Majesty's dominions or territories out of the United Kingdom, or their servants or agents, except in respect of letters of merchants, owners of ships, or goods on board:
- c. Passengers or other persons on board any such ships, vessels, steam-boats, or passage-boats:
- d. The sailors or others on board a ship or boat passing on a river or navigable canal within the United Kingdom or other Her Majesty's dominions.

THE SCOTTISH UNION INSURANCE COMPANY was instituted in 1824, and is Incorporated by Royal Charter, and Empowered by Act of Parliament. It is composed of a very numerous wealthy, and influential body of Proprietors, and affords the most unquestionable security to the Public from the magnitude of its Capital—a large proportion of which is invested in Government and real securities.

## FIRE DEPARTMENT.

For Insuring Property against Loss or Damage by Fire.

PROPERTY of almost every description may be assured against accidents arising from FIRE, by the Payment of a small Annual Premium; and Risks involving more than ordinary hazard are moderately rated.

All Losses, when satisfactorily ascertained, are IMMEDIATELY PAID; and the Directors of this Incorporation confidently refer to the liberality and promptitude which have hitherto marked their settlement of claims.

*Scottish Union Fire and Life Insurance Company—continued.*

The Progressive Increase of the Company's Fire business is shewn in the following Table of the Duties paid to Government on Insurances, and of the Sums insured on Farming Stock (free of duty), taken from the Parliamentary Returns:—

YEAR.	Amount of Duty Collected, 3s. per £100.	Sum Insured on Farming Stock.
1846	£17,683	£857,194
1849	22,291	1,124,482
1852	24,473	1,373,282
1855	26,040	1,572,240
1858	28,615	1,701,385
1860	32,001	1,749,310

**INSURANCES OF FARMING STOCK.**

FARMING STOCK, which includes Hay and all sorts of Corn and other Grain, Implements of Husbandry, and Live Stock, may be insured with this Company, against LOSS by FIRE or LIGHTNING, for one sum on a Farm, and in the Offices, *without any Average Clause*, for a year or for any shorter period. The Thrashing Mill Machinery requires to have a separate value stated thereon.

*Losses caused by Lightning to Farming Stock are paid; and no Government Duty is Chargeable on the Insurance of Farming Stock.*

AMOUNT INSURED BY SCOTTISH UNION INSURANCE COMPANY ON FARMING STOCK FOR YEAR  
ENDING CHRISTMAS 1860, **£1,749,310.**

**LIFE DEPARTMENT.**

Parties about to effect Life Assurances should attend *especially* to the following points:—

I. The CHARACTER of the Company, and the SECURITY offered by it.

II. The RATES of Premium demanded.

III. The BONUS or RETURN of Profits declared upon the Policies.

The large increase which has taken place in this Company's Business is the best proof that the liberal principles upon which it is conducted, and the equitable manner in which the surplus Life profits are divided, are duly appreciated by the public.

THE NUMBER OF LIFE POLICIES ISSUED IN 1861 was **874**

SUMS INSURED THEREBY,.....**£404,014**

YIELDING OF NEW PREMIUMS, ..... **12,785**

*The following Examples of Bonus Additions are taken from the Company's Books:—*

A Policy issued in 1834 for £4000, had increased at 1st August 1861 to the sum of.....£5402 17 1  
A Policy issued in 1836 for £5000, had increased at 1st August 1861 to the sum of.....£6487 15 10  
A Policy issued in 1841 for £1000, had increased at 1st August 1861 to the sum of.....£1256 14 9

**NON-PARTICIPATING POLICIES.**

The low Rates charged in the Non-Participating Class are peculiarly well adapted for Loan Transactions; also, where the object is to assure a specific Sum payable at death, at the lowest Rate of premium compatible with Security.

COPIES of Prospectus, and all other information may be obtained on application at the Head Office of the Company, 47 GEORGE STREET, EDINBURGH, or at any of the Company's Agents.

## PROGRESS OF THE COMPANY'S BUSINESS.

*Standard Life Assurance Company—continued.***INVESTMENT OF FUNDS.**

The Funds of the Company, which amount to nearly Two Millions Sterling, are invested in Government Securities; in Loans on the security of Land, by bond or mortgage; in Landed Property; in advances to the Company's Policy-holders; and in other ways affording undoubted security.

**THE PROFITS OF THE COMPANY**

Have been divided on six occasions—in 1835, 1840, 1845, 1850, 1855, 1860—when large additions were made to Policies under the peculiar mode of division adopted by the Company, which is essentially Tontine, affording very important advantages to Assurers.

**The Policies of the STANDARD LIFE ASSURANCE COMPANY are more Valuable than ORDINARY POLICIES,**

Inasmuch as they are free from extra Premiums in the case of foreign residence, when the Directors are satisfied there is no intention or prospect on the part of the Assured to reside abroad. They are also free from other restrictive clauses. These are great benefits. Take, as an example, a liferenter who assures his life. In ordinary Policies, he is limited to residence in Europe, and his Policy is subject to forfeiture on various grounds. A *STANDARD Free Policy*, once obtained, contains but one condition—payment of the Premium, and for that, too, increased facilities are given; while at the end of five years, the Assurance Deed becomes, as regards any question, a simple promise to pay on proof of death. If the Policy is to be made the basis of a marriage-contract, or to be a security in any way, the advantage of a Free Assurance is undeniable; and in the present day, every Policy, it may be said, becomes in the course of its existence, in some way or other, the groundwork of a responsible transaction.

*Edinburgh Life Assurance Company—continued.*

THE following are the advantages given by this Company:—

Nine-tenths of the whole Profits divided among the Assured, without incurring any liability.

The guarantee of a responsible body of Proprietors, either personally or otherwise assured with the Office, affords the most undoubted security to all classes of Assurers, with all the advantages of Mutual Assurance.

In reference to the next Septennial Division of this Office in 1863, the special attention of intending Assurers is requested to the *benefits* which its system of Division (now fully developed by a successful progress of upwards of thirty-eight years), has conferred on its Participating Assured—illustrated in the results of previous Declarations to the oldest Policy-holders—the best lives.

The following are a few of these claims now, or previously paid, with *Bonuses exceeding one hundred per cent. on the sums originally Assured*:—

*Later Entrants* have received Bonuses proportionate to their endurance and payments, as illustrated in *Prospectus*.

An *Annual intermediate Bonus* equivalent to Annual Divisions.

The ratio of Division of Profits in this Office never having been lowered, but always somewhat increased at each Declaration, all *New Entrants for Participation* may confidently depend on receiving the full benefit of the profits from their own contributions, as well as from all other profits of the Company's business.

Liberal Resolutions as to Policy Conditions give to the Assured every facility consistent with sound principles of business.

Parties requiring Insurance at the lowest immediate outlay can effect such object by a scale of Non-participating Insurance equally moderate and more advantageous than the usual *Half-Credit System*.

Twenty-one days allowed for payment of Premiums, after they become due, and in the event of the party dying, payment within the twenty-one days, by the representatives, is held sufficient for preserving the Policy.

Policies in this Office no way affected by the Assured serving in Volunteer Corps.

*Prospectus*, and Printed Forms of the Proposal and Declaration for effecting an Insurance, may be had, gratis, at the Head Office, or from any of the Company's Agents.

No Entrance Money, nor any charge beyond the payment of the Premium, in effecting a Policy.

Very moderate Rates, without Participation, equivalent on Young Lives to an immediate Bonus of considerable amount.

Claims paid three months after proof.

The Assets of this Society fall little short of £5,000,000. Its Annual Income exceeds £480,000.

At the Divisions of Profits which have already been made, Reversionary Bonuses exceeding £2,945,158 have been added to the several Policies, and such Bonuses are repurchased, either by a Cash Payment, or by way of Reduction of Future Premiums.

The Directors have also power to purchase Policies for a sum payable immediately; or, on surrender of a Policy, to grant a new one for a reversionary sum equivalent in value to the purchase-money of the Policy surrendered; the Assured under such new Policy paying no further Premiums, but participating in the periodical Division of Profits.

Loans are granted on the security of Unencumbered Policies, nearly to the extent of their surrender value. No charge is made for Policy Stamps.

Parties whose Lives are Assured are permitted to reside in any part of Europe, the Azores, or Madeira, and, on payment of a small extra Premium to cover the risk of voyages out and home, to visit and reside in British North America, and the United States of America east of the Mississippi and not south of Washington, or at the Cape of Good Hope, and adjacent parts south of 30° south latitude.

## LIFE ASSURANCE.

**T**HE system of the NORTH BRITISH INSURANCE COMPANY combines the benefit of Mutual Assurance with the safety of a large Protecting Capital, and affords all the facilities and advantages which can prudently be offered by any Life Assurance Office.

### Progress of the Company.

During the three years *preceding* the last Division of Profits, in December 1853, the sums assured amounted to £928,630.

During the three years *succeeding* the last Division of Profits, the sums assured amount to £1,453,626.

DURING THE YEAR 1861 ALONE, 785 NEW POLICIES WERE ISSUED, ASSURING THE SUM OF £527,626.

### Advantages offered by this Company.

1. Nine tenths (90 per cent.) of the Profits, or, in other words, the whole of the Profits arising from the Life Business, after setting aside one-tenth for the guarantee, are divided among the Assured entitled to participate.

[Continued.]

*North British Fire and Life Insurance Company—continued.*

2. Bonuses may be added to the sum assured, or surrendered for a cash payment, or applied to the reduction of the future Premiums.
3. A Prospective Bonus of one per cent. per annum is allowed on Policies which have subsisted for five years, which may become claims previous to the next Investigation in 1865.
4. No Extra Charge for residence in British North America, the Cape, Australia (excluding the Diggings), New Zealand, Port Natal, Buenos Ayres, and parts of the United States, and no licence required except for the voyage.
5. On proof of age, and by special application, Policies are declared unchallengeable from the date of their issue, and may (upon certain information being given) be made exempt from the payment of Extra Premium for Foreign Residence and travel—thus making the Policies of the Company good marketable securities.
6. Policies which have lapsed by non-payment of the Premium may be revived within six months on payment of the Premium and Interest.
7. Advances made on Policies, to the extent of the Security they afford, when the value amounts to £50 and upwards.

**NEW AND IMPORTANT ADVANTAGES.**

To meet the exigencies of parties, and to render the benefits of Life Assurance more generally available, the Directors have adopted the following new and important principles.—

**1. Application of Profits to the Purchase of an Annuity.**

By this system a party not only secures the payment of the sum in the event of his death before 65, but at his option he may convert the Policy with its Bonuses into an equivalent Annuity commencing at 65.

**2. Half-Premium System.**

By which a party may secure all the benefits of the Half-Credit System without any debt being incurred.

**3. Double Insurance System.**

By which, for a moderate uniform Premium, a Policy may be secured which will increase each year until, in 20 years, the sum assured is doubled. This system is particularly advantageous to young lives.

*For further explanation of these new principles, and for the Rates applicable thereto, see the Company's Prospectus.*

**ANNUITIES.**

1. IMMEDIATE ANNUITIES are granted on favourable terms.
2. DEFERRED ANNUITIES, to commence at any specified age, may be secured, either with or without return of Premium.
3. SURVIVORSHIP ANNUITIES may be secured with or without return of Premium.

**REVERSIONARY INTERESTS.**

The Company are ready either to purchase Reversionary Interests and Life Rents, or to make advances on them to the extent of the security they afford.

**FIRE INSURANCE.**

The Company INSURES against FIRE—Silk, Cotton, Woollen, and Flax Mills, Buildings of all descriptions, Furniture, Stock in Trade, Merchandise, Agricultural Stock, Implements of Husbandry, and effects of every kind, at the lowest rates of Premium corresponding to the risk.

Farming Stock is Insured without the Average Clause, and loss and damage by Lightning thereon made good.

No charge is made for Policies when the sum insured amounts to £300, or for Transfers from other Offices.

Insurance for seven years charged for six years only.

Losses settled with promptitude and liberality. A duty of 3s. per cent. per annum on all property Insured from Fire in Great Britain and Ireland is payable to Government, with the exception of Farming Stock and Public Hospitals, which are exempt.

The Company holds itself responsible for damage done by explosion of Gas, such explosion taking place within buildings on or in which this Company has insurance, without extra charge.

Prospectuses, containing Tables of Rates and every other information, may be had at the Head Office in Edinburgh, or at any of the Company's Agencies in the country.

# LIFE ASSOCIATION OF SCOTLAND.

Founded 1838—Empowered by Royal Charter and Act of Parliament.

THE ASSOCIATION HAS NOW IN OPERATION TWO SEPARATE SCHEMES OF ASSURANCE.

## ORIGINAL SCHEME—(CLASS A.)

### ORDINARY ASSURANCE.

The Original Scheme of the Association has been in operation for Twenty-three years, and is arranged expressly with the view of reducing the expense of Life Assurance as low as is consistent with security.

1. AN ALLOCATION OF PROFIT is made yearly to all Policy-holders who were of Five years' standing at the date of the preceding balance, and so as to reduce the outlay for the Policies. Policy-holders of the First Series have thus for many years been called on to pay only 12s. 6d. (instead of 20s.) per £1 of their premiums, the remainder having been paid from the profits. For example, a Policy-holder, whose premium is £50, obtains this year a return from the profits of £18, 15s.; and another, whose premium is £20, obtains £7, 10s. The saving to the Policy-holders thus effected on a Policy of £1000, has been as follows:—

Age.	If opened in 1845.	If opened in 1850.	If opened in 1855.
60	£639 2 3	£409 16 5	£212 8 6
55	524 4 11	336 3 3	174 4 11
50	431 14 8	276 16 10	143 9 11
45	356 19 0	228 17 9	118 12 10

and so on at every age, and with all Policies of more than five years' standing. The Second Series commenced to participate in profits at the Division in 1861, when a reduction of 25 per cent. (5s. per £1) from their next year's premium was declared.

2. THE OUTLAY FOR A POLICY may be materially lessened also, until the time of participating in profits, by the HALF-CREDIT SYSTEM, under which only half the premiums for the first six years need be paid, the other half remaining unpaid (at interest) as long as the Assured pleases.
3. FREEDOM FROM RESTRICTIONS. The Policies now being issued are free from some important restrictions imposed by other Offices, and confer unusual privileges. They are thus peculiarly valuable as securities for money, family provisions, and for every other purpose.—*See Prospectus for full Explanations.*

ON 5th APRIL NEXT,

**This Scheme will close for the current year.**

*Those who enter on or before that date will secure special advantages over later Entrants.*

## NEW SCHEME—(CLASS B.)

### UNCONDITIONAL ASSURANCE.

While the Policies of the Original Scheme have been relieved of many of the usual imperfections of Assurance Policies, the Association has, by this New Scheme, met the desire of late manifested for a system *still more simple and unconditional.*

1. NO FORFEITURE (as is usually the case) by omission to pay a premium through accident or oversight; and, after Five years, payment of a premium may be intentionally postponed for a year.
2. NO RESTRICTIONS as to Occupation, Residence, or Travelling, and no Extra Premiums can ever be payable.
3. THE LIABILITY of the Association for the Sum Assured continues even if death happen by *Suicide, Duelling, &c.*
4. THE VALIDITY OF THE POLICY cannot be questioned in so far as an Assignee is concerned;

[Continued]

*Life Association of Scotland—Continued.*

and, under any circumstances, the Assurance becomes unquestionable and indefeasible by the lapse of Five years.

5. THE WITHDRAWAL of a fixed and unusually large proportion of his payments, either as a loan on security of the Policy, or for its surrender, after the first year, is in the power of the Policy-holder.
6. ALLOCATIONS OF PROFITS in the form of *Bonus Additions* to the Sum Assured, with the option of equivalent cash payments.

\*The Policies of this new Scheme have, therefore, an EXTRAORDINARY VALUE and IMPORTANCE, and afford complete protection under all circumstances. It is, however, not intended for persons residing in, or likely to proceed to, unhealthy climates.—See *Prospectus for full explanations of the Scheme.*

ON 5TH DECEMBER NEXT,

**This Scheme will be closed for the current year.**

*Entrants on or before that date will secure a Full Year's Bonus more than later Entrants.*

In Edinburgh and Leith alone, the claims for one month were upwards of £55, and in two cases have been in one single day nearly £30. ## HENRY HARRISON, 23 ST ANDREW SQUARE, EDINBURGH,

Begs leave to call attention to the advantages offered by this Company:—

THE MANCHESTER FIRE ASSURANCE COMPANY was established in 1824, upon principles of public utility, and consists of a numerous and wealthy proprietary—possessing a large paid-up capital, which, with the accumulation of Profits, offers to Insurers the most ample security.

The cheerfulness and promptitude with which important losses have been paid by this Company are well known and admitted, it being at all times the desire of the Directors to settle them with liberality and dispatch.

By a system of the most complete classification, the result of each description of risk is ascertained annually; and the rates charged, being founded on an experience of nearly Forty years, are as favourable to the Insured as is consistent with the security of the Company.

Insurances effected for Seven Years will be charged for Six years only; or if for any number of years more or less than Seven, a reasonable Discount will be allowed, both upon the Premium and the Duty.

No Charge made for New Policies.—Losses by Fire occasioned by Lightning, and Damage caused by Explosion of Gas, are made good.

Armings Stock, and Implements of Husbandry on a Farm, are exempt from the Insurance Tax or Duty, and are insured without the average clause.

INSURANCE from Loss or Damage by Fire has been found a measure of great importance to the security of Property and to the happiness of Families. This precaution is seldom neglected by Merchants and Tradesmen, and is equally necessary to Gentlemen, Farmers, and Manufacturers of every kind.

The PHENIX OFFICE was established by a numerous Proprietary in January 1782, upon principles of public utility. The promptitude and cheerfulness with which the most important Losses have been made good by the Company are well known—a large Capital in Government Securities is at all times held in readiness for that purpose.

N.B.—The private fortune of every individual Shareholder in the Company is responsible for its engagements; and no person insured in this Office is liable for the Losses of others, as is the case in Contribution Societies.

## FIRE BRANCH.

**T**HE FIRE DEPARTMENT has an Annual Revenue of £100,000 and a large subscribed Capital. INSURANCES against FIRE are received upon nearly all descriptions of Property in the United Kingdom, and in Foreign Countries, more particularly in the Colonies, India, China, United States, the Continent of Europe, South America, and Australia. The Association offers peculiar advantages in this branch of Fire Insurance, from its moderate rates, experience, and the co-operation of its numerous Foreign Agents.

The Rates of Premium in this Department will be generally as moderate as those of other responsible Companies.

## LIFE BRANCH.

The LIFE DEPARTMENT has an Insurance Reserve of upwards of £80,000, in addition to its Annual Revenue of £30,000.

This Association possesses all the elements required to develop the benefits of Life Assurance, and to extend its advantages to Assurers; and every practicable accommodation that can be honourably and safely carried out by Assurance Companies is afforded to Assurers in this Office.

Thirty days' grace allowed for payment of Annual Premiums, and fifteen days for Half-Year Premiums. In the event of a death happening within the days of grace, the Claim will be paid if the Premiums be tendered before the expiry of that period.

Travelling to, and residence in, any part of Europe allowed without any additional charge; and the extra Premiums charged for Voyage to, and residence in, any Foreign Country, or for active Naval and Military Service, or any other special risk, are fixed on a moderate basis.

Notices of Assignments received and registered at the Company's Offices in Glasgow.

Claims are paid either in London or Glasgow, and either on English or Scotch Titles; and parties Assuring with the Company in Scotland secure all the benefits that can be obtained in a Scotch Office.

## LIFE DEPARTMENT.

THE Policies, now in course of being issued by this Company, are free from all unnecessary restrictions, and secure every advantage derivable from the system of Life Assurance. The Premiums are strictly moderate.

The Participation Scheme was begun in 1840, and the oldest Policies for £1000 in connexion with it becoming Claims after payment of the Premiums falling due in the current financial year, are increased to £1333, 0s. 2d.; those for larger or smaller sums being proportionately augmented. Bonus Additions may be surrendered for their value in cash, or an equivalent reduction of future Premiums, the Assured having their choice in all cases.

It is provided by the Company's Act of Incorporation, that Investigations shall take place at intervals not exceeding Five Years, and intermediate Bonuses are allowed when Participating Policies, in force at one Division of Profits, become Claims before another—an arrangement which secures for such cases advantages similar to those claimed for Annual Investigations.

The business in this department has been greatly extended within the last few years.

Prospectuses, with every information, may be had on application.

## FIRE DEPARTMENT.

All Losses, so soon as satisfactorily ascertained, are liberally and promptly settled.

Losses arising from explosion of gas are paid by this Company.

Common, Hazardous, and Doubly Hazardous Risks, are undertaken at the usual rates of 1s. 6d., 2s. 6d., and 4s. 6d. per cent. respectively. Special Insurances at increased rates.

**THE ROCK LIFE ASSURANCE COMPANY** have on their earlier Policies granted Bonus Additions of £191, 1s. per cent.

The Company consists of a numerous body of Proprietors, holding Shares in its Capital Stock, which, together with the Premiums of Assurance, and the accumulated interest thereon, constitute a large and increasing Fund, which now amounts to upwards of **THREE MILLIONS STERLING**, invested in Mortgages and other approved Securities, as a guarantee for the fulfilment of its engagements.

In order to meet the various circumstances and views of persons desiring to effect Assurances, which are taken for any sum not exceeding £10,000, the Directors offer—

**TABLES FOR PARTICIPATING ASSURANCES**—The Assured on which are entitled to the Septennial Bonuses;

**TABLES FOR NON-PARTICIPATING ASSURANCES**—The Assured on which are entitled to a specific Sum at Death: and

**TABLES FOR TERM ASSURANCES**—Policies effected for Limited Periods, the Rates for which have been materially reduced, continue in force up to the date agreed upon, and are accordingly only suitable when the risk required to be provided against is terminable in a specific period.

A considerable Reduction in the Premiums for foreign Residence has been made.

With the view to render the Policies of the ROCK more available as Securities for Loans, and more valuable to the Holders generally, all Persons Assured with the Company resident in the United Kingdom (excepting Naval and Military men) are allowed to proceed to any part of the world upon payment of a SINGLE PREMIUM of TEN SHILLINGS per cent. on the sum Assured, provided they make a declaration satisfactory to the Directors that they have no present intention of proceeding beyond the prescribed limits.

The amount divided on the 20th of August 1861, out of the realised Profits of the Seven preceding years, was £532,031, 15s. 9d.

The next Division of Profits will be made in the year 1868.

Persons effecting Assurances during the current year will secure one year's additional Bonus at the next Division of Profits in 1868, and at all future Divisions, above Assurances taken out after that date.

As evidence of the great advantages afforded to the Assured in this Office, the Directors select an instance of a £500 Policy, effected in 1806, upon which £585, 7s. 6d. had been paid for Premiums. The several Bonus Additions made to this Policy payable on its becoming a claim, amounted in 1847 to £641, 1s. 8d., for the Redemption of which Bonus the Assured received £465, 2s. 6d. in cash, and then wishing to extinguish all future Premiums on the Policy, paid to the Company £88, 0s. 6d. in lieu thereof, thereby realising a present gain of £377, 2s. 0d., without prejudice to any future Bonus. The further addition already made amounts to £314, 3s. 4d.

The value of the Bonus allotted to a Policy may be received at any time in an equivalent present payment In Cash, or applied In Reduction of the Annual Premium.

**T**HE SCOTTISH EQUITABLE LIFE ASSURANCE SOCIETY is an Institution peculiarly adapted for securing family provisions. It is a purely Mutual Assurance Society. The whole Profits are allocated every THREE YEARS amongst Policies of five years' duration. No part is, as in the case of a Proprietary Company, diverted from those who are assured, and paid away to Shareholders; and the additions which have already been made to Policies, afford the clearest evidence of the prosperity of the Institution, and the great advantages derived by its members.

## LIFE ASSURANCE.

1. **Freedom from Restrictions as to Travelling or Residence**—Persons may assure with this Company without *being restricted in regard to travelling or place of residence*, and thus avoid the risk of forfeiting their Policies, or of having to pay extra premiums in case of their going to any part of the world.
2. **Payment of Premiums may be Postponed**.—One year's premium may, on application, be *allowed to remain unpaid*, for every three that have been paid, so as to obviate the necessity of discontinuing a Policy in case of temporary inability to keep it up.
3. **Half Premiums only required for Five Years**.—*Half Premiums may be paid during the first five years*, without any debt attaching to the Policy, or any payment of interest.
4. **One Month allowed for Payment of Premium**.—*One calendar month* is allowed for payment of premiums, and no forfeiture of Policy takes place if death occur within the month, although the premium be not paid.
5. **Economy in Rates**.—*The Rates* for all descriptions of Life Assurance are *on the most moderate scale*. No stamps or medical fees payable by the Insured.
6. **Distribution of Profits**.—*Nine-tenths of the Profits* are allocated to the Assured every *fourth year*. *The next division of the Profits takes place in 1864*.
7. **Special Benefit to "Good Lives"**.—Profits are distributed only among those Policies which continue in existence more than four years, so as to insure larger Bonuses in proportion to their continuance.
8. **Profits may be received in Cash, etc.**—The Bonuses may be added to the sum assured, or received in cash, or applied to reduction of the premium, at the option of the Policy-holder.

## FIRE INSURANCE.

**THE ADVANTAGES** which, as compared with other Offices, this Society offers are—

*A greatly larger original Assurance for the same Premium, and eventually to good lives as large additions as where the ordinary high rate of Premium is charged.*

*For the same yearly sum, as large an Assurance may generally be secured from the first as can be looked for elsewhere after many years' accumulation of Bonuses.* Thus, a Policy for £1200 or £1250 may be had for the Premium usually charged to Assure £1000 only.

In addition to this immediate Advantage,

The **WHOLE PROFITS** are secured to the Policy-holders themselves, and are divided on a system at once safe, equitable, and peculiarly favourable to good lives.

Instead of being frittered away among all Policies indiscriminately—including those which have subsisted only a few years, and on which there may eventually be a *loss* to the common fund—they are reserved for those members who alone can have made surplus payments; in other words, for those whose Premiums, with accumulated interest, amount to the sums in their Policies.

## THE PRACTICAL WORKING OF THE SYSTEM

has been that, at the two Septennial Investigations, additions (vested or prospective) have been made to Policies coming within the participating class, varying, according to their value, from 12 or 14 to 70 or 78 per cent. In this way, Policies originally for £1000, which have shared at both divisions, have been increased to £1300, £1500, and in some instances to £1780.

The class of participators now embraces, with few exceptions, all who entered in the earlier years, with many more recent entrants paying a higher rate of premium.

## POSITION AND ADMINISTRATION.

The **POSITION** to which the Society has attained among the Life Offices of Great Britain is thus stated by the Chairman at the Annual Meeting of 1861:—

Looking to all the Offices in the Kingdom, we find that of those established as late as ours, not one has come up to us in general business, except it may be one, and in that case, the difference, if any, is not great, while our own Realised Fund considerably exceeds theirs. If we look, on the other hand, to all the Offices older than ours, numbering probably about sixty, we have gone ahead of about one-half of them in the amount of our Accumulated Fund, and of nearly three-fourths of them in the number of our Members.

Mr GEORGE HOPE, Fentonbarns, referring to the discussions among Assurance Offices as to what are styled "Indefeasible Policies," pointed attention to the leading part taken by this Society in freeing Policies from all elements of doubt as to their sufficiency—quoting the Resolutions adopted by the General Meeting in February 1849, by which—among other relaxations—it is declared that "*there shall be no forfeiture unless the averments in the original proposal be fraudulent as well as untrue.*" The Institution had never disputed a claim.

## LIFE ASSURANCE.

**A**MONG the advantages offered by this Corporation are—

1. The Guarantee of an extensive and highly respectable body of Shareholders.
2. An Equitable Division of the Whole Profits among the Assured in the Participation Scheme.
3. The probability afforded by a successful business of a periodically increasing Bonus. And,
4. Policies Indisputable, except on the ground of fraud.

Thus combining the leading features of a Mutual with the stability of a Proprietary Company.

The Annual Revenue of the Company is now upwards of £200,000, and the Invested Funds are upwards of £600,000.

## DIVISION OF PROFITS.

The Company having, in the year 1861, completed the Fifth Quinquennial period of its existence, the Directors, after a careful investigation into the Life Department, resolved to recommend, from the profits of the past five years, a Bonus, present and prospective, to the Policy-holders of the Participating Class, of £1, 7s. 6d. per cent. per annum, on all Policies current at the 31st of January 1861; and although from the Report it appeared that a considerably higher Bonus might have been declared, the Meeting resolved to adopt the recommendation of the Directors, and to carry forward the surplus for appropriation at the next Declaration of Profits.

## REDUCED RATES FOR THE EAST AND WEST INDIES.

The Directors have adopted a new Scale of Rates for the East and West Indies, considerably lower than those charged by this or, they believe, any other Company, but differing from the old system, in respect that no reduction takes place on the assured returning to Europe or proceeding to any other part of the world not chargeable with an extra premium.

According to this method, the Assured, instead of being subjected to a heavy Extra Premium during the years of residence in the Tropics, has the option, by paying a fixed rate, of throwing the Extra over the whole currency of the Assurance.

**LIFE ASSURANCES** without Profits effected, and **ANNUITIES** Sold on very favourable terms.

Liberal Surrender Values allowed, or new Policies granted in lieu thereof.

*The Premiums may be paid Yearly, Half-Yearly, or Quarterly, for a limited number of years only, or by a Single Payment. No Entry Money or Stamp Duty charged.*

## The Success of the Society.

THERE is no instance in the history of Life Assurance in which progress has been more rapid or success more solid. Established in 1815 without the adventitious aid of Shareholders' capital, when Life Assurance was all but unknown in Scotland, the operations of the Society have attained a magnitude and wide-spread usefulness which the original founders could scarcely have anticipated. The remarkable success which has attended the Society ever since it was founded is exhibited in the following

## The Last Bonus

was ONE OF THE LARGEST ever declared by any INSURANCE COMPANY.

The Sums Assured then added to Policies amounted to

**ONE MILLION POUNDS STERLING,**

which, according to the duration of the Policies, yielded BONUSES from £1 : 12 : 6 to £3 : 6s. per cent per annum on the original sum assured.

*These Bonuses, WHICH IT IS BELIEVED ARE NOT EXCEEDED BY THOSE OF ANY OTHER OFFICE, have all been declared out of Profits actually realized, and every element of Profit ever possessed by the Society, with vastly increased resources, remains for the increase of present and new members' Policies.*

# Scottish Widows' Fund Life Assurance Society.

## *Days of Grace.*

THIRTY DAYS of Grace are allowed for payment of Premiums, but Policies may be revived within THIRTEEN MONTHS of the Premium becoming due.

## *Lapsed Policies.*

*When the Days of Grace have expired, and the Member does not wish to renew the Policy, a sum equal to the Surrender Value thereof, on the last day of Grace, will be paid to him (see Explanation as to Surrender Values, below), or a paid-up Policy, free of future Annual Premiums, for a corresponding sum will be issued, as he may select.*

## *Surrender Values payable on Demand.*

Many Offices decline giving any Surrender Value unless the Policy shall have been of a certain number of years' standing, although the premiums paid greatly exceed the risk borne by the Office and the proper expenses of the Assurance. *The practice of the Scottish Widows' Fund is, and always has been, to pay at any time from the day of the issue of a Policy its actual Office value, and even WHEN THE POLICY LAPSES BY NON-PAYMENT OF THE PREMIUMS during the thirteen months within which they may be received, an allowance equal to the Full Surrender Value is paid.*

### EXAMPLES OF SURRENDER VALUES OF £1000,

*Age at entry being 30.*

Duration of Policy.	Premiums paid.	Surrender Value.	Per Centage of Surrender Value on Premiums paid.
One Year .....	£25 17 6	£8 0 10	31 per cent.
Ten Years.....	258 15 0	160 12 10	62 per cent.
Twenty Years .....	517 10 0	390 15 11	75 per cent.
Thirty Years.....	776 5 0	699 10 4	90 per cent.
Forty Years .....	1035 0 0	1071 19 0	104 per cent.
Forty-five Years ...	1164 7 6	1435 6 0	123 per cent.

The Tables of Surrender Values of Policies and Bonuses are published in the Prospectus, so that a person, before he makes his proposal to the Scottish Widows' Fund, can see the progressively increasing value of his Assurance (*except future Bonuses, which of course will still further increase the value*) from the beginning to the end of the transaction.

## *Loans Granted on Security of Policies.*

The Policies of this Society, besides bearing a fixed Cash Value from the first, payable on demand, are also available as First-Class Securities, on which advances can be obtained from the Society at any time. Advances of £50 and upwards, to any amount the value of a Policy will admit of, are granted free of expense and without any other Security. The present rate of interest is 4 per cent.

# Scottish Widows' Fund Life Assurance Society.

## *Indisputable Certificates,*

constituting Policies unchallengeable Documents upon any ground whatever, are granted, upon application, to Members of five years' standing. The Laws empower the Directors to refuse or modify the terms of such Certificates, when the issue of the Certificate would, in their opinion, be inconsistent with the general interest.

## *Foreign Residence without extra Premiums.*

Foreign Residence is allowed from the issue of a policy in any part of Europe, in parts of North America, Australia, New Zealand, and other Colonies, in time of peace, *free of charge*; and the Indisputable Certificate granted after the first five years, as explained, *cancels all restrictions in the Policy, and no License or Extra Premium is thereafter required for Travel or Residence in any part of the world.*

## *Payment of Claims.*

Claims are paid in full in any part of the United Kingdom, free of charge, on the simple receipt of the parties entitled. The Policy must be given up, and the Claimant's Title, "*Confirmation*" (in Scotland) "*Probate*" or "*Letters of Administration*" (in England or Ireland), or the *Assignments* (if the Policy has been assigned) require to be produced. *Scotch Title is not required where Claimant holds English or Irish Title.*

## *Value of the Society's Policies.*

The moderate rates of Premium charged; the almost unprecedented largeness of the Bonuses; the fact that the Policy is practically as convertible as a bank note for its value to the member himself at any time; and the absolute security afforded by the unquestionable financial position of the Society for the fulfilment of all its engagements, render Policies of the Scottish Widows' Fund, whether held for family or Business purposes, instruments of the highest value.

## *All necessary Information sent Free.*

The Prospectus contains Tables, showing—the Premiums charged for Assurances—the Bonuses declared at each period of Division—The Surrender Values of Policies—The Cash Values of Bonuses and corresponding Reductions on future Premiums—and the progressive increase in the Business, Funds, and Revenue, since the Society was founded; also detailed explanations and practical examples from all these Tables, with full explanations of the advantages enjoyed by Policy-holders of this Society.

If the Additions be more, the Policy will be increased; if less, the Policy will be diminished. The rates of Additions at the Septennial Investigations in 1832 and 1839, were  $1\frac{1}{2}$  per cent.; at 1846, 2 per cent.; and at 1853 and 1860,  $1\frac{3}{4}$  per cent.
